Jimmy's Faith Christopher Hunt, 2024-12-03 Qspirit Top 24 LGBTQ Christian Books of 2024 A novel approach to understanding the work of James Baldwin and its transformative potential The relationship of James Baldwin s life and work to Black religion is in many ways complex and confounding What is he doing through his literary deployment of religious language and symbols Despite Baldwin s disavowal of Christianity in his youth he continued to engage the symbols and theology of Christianity in works such as *The Amen Corner* *Just Above My Head* and others With *Jimmy s Faith* author Christopher W Hunt shows how Baldwin s usage of those religious symbols both shifted their meaning and served as a way for him to build his own religious and spiritual vision Engaging Jos Esteban Mu oz s theory of disidentification as a queer practice of imagination and survival Hunt demonstrates the ways in which James Baldwin disidentifies with and queers Black Christian language and theology throughout his literary corpus Baldwin s vision is one in which queer sexuality signifies the depth of love s transforming possibilities the arts serve as the religious medium of knitting Black community together an agnostic and affective mysticism undermines Christian theological discourse androgyny troubles the gender binary and the Black child signifies the hope for a world made new In disidentifying with Christian symbols *Jimmy s Faith* reveals how Baldwin imagines both religion and the world otherwise offering a model of how we might do the same for our own communities and ourselves

Public Intellectuals in South Africa Chris Broodryk, 2021-07-01 This edited collection gives voice to neglected public intellectuals in the arts humanities and journalism in South Africa who gave voice and presence to those who have been marginalized and silenced in South African history Edward Said described a public intellectual as someone who uses accessible language to address a designated public on matters of social and political significance The essays in *Public Intellectuals in South Africa* apply this interpretive prism and activist principle to a South African context and tell the stories of well known figures as well as some that have been mostly forgotten They include Magema Fuze John Dube Aggrey Klaaste Mewa Ramgobin and Koos Roets alongside marginalized figures such as Elijah Makiwane Mandisi Sindo William Pretorius and Dr Thomas Duncan Greenlees The essays capture the thoughts and opinions of these historical figures who the contributors argue are public intellectuals who spoke out against the corruption of power promoted a progressive politics that challenged the colonial project and its legacies and encouraged a sustained dissent of the political status quo Offering fascinating accounts of the life and work of these writers critics and activists across a range of historical contexts and disciplines from journalism and arts criticism to history and politics it enriches the historical record
