A Never-Ending Love Story Eva Fischer-Dixon, 2026-01-04 Occasionally I wondered what would be the best to have never been in love or to have fallen in love perhaps multiple times and experience disappointment and emotional pain I can't complain perhaps I should that multiple disappointments occurred in my life Without a doubt I felt sadness after each breakup but instead of carrying that burden for a long period of time I treated each experience as a lesson to learn from and avoid repeating the same mistakes in future relationships whenever possible The journey was rough but the joyful moments in life outweighed the unhappy ones LOVE is extremely important it gives you purpose and can fill you with hope joy and pleasure There were loves in my life that ended with very powerful emotional shocks that came from deep disappointments yet I survived just to find the man whom I still call the love of my life and whose love I will carry to my grave as my love for him is never ending When reading this book you will meet the five men I fell in love with or just liked throughout my life all of whom helped shape the person I have become

Brand, Jr. Eva Fischer-Dixon,2017-12-30 Marion Brand Jr was a twenty year old preacher who inherited his fathers revival ministry after a horrific childhood that left him psychologically scarred for life He was an incredibly handsome and charismatic young man who had a great effect on people who surrounded him and who attended his revival sessions primarily young women and girls When a young woman Helen McCarthy was brought to his luxurious trailer for the first time in his life Marion fell head over heels in love and would do anything to keep her to himself After moving to a new location in Oklahoma and setting up his large tent to conduct revival sermons some of his staff members who were former convicts attracted the polices attention as on several locations where the revival personnel stayed for a month at a time young girls began to disappear never to be seen again His life was entangled with two familys own tragedies his

caravans cook once a famous chef Sara Weinstein and a former mob hitman Giovanni Mano Rossa who was investigating the disappearance of his two youngest daughters Preacher Brand Jr soon began to question his own sanity and the loyalty of the people with whom he surrounded himself and who would cover up all his horrific secrets Just how far would a grieving father go to find out the truth about his daughters If only Preacher Brand could figure out if his nightmares were real or just bad dreams he would not have to worry about his future but things are not as they may have seemed ... and then, the Fat Lady Sang Eva Fischer-Dixon,2024-09-18 My mother began to tell me stories when I was about 12 years old As the years passed her stories become even more intricate I knew one thing for certain one day I will write down as much as I could recall so I did although it took me over 45 years The large Willinger family s story begins with a matchmaking attempt and the birth of a number of children My mother was the second born Their hardship that I wrote about was common of the era but through Ilona s life and encounters the lives of others in the Budapest ghetto come alive and that include her first and significant heartbreak VOLUME I is two books the second one concludes on March 21 1973 the day I arrived in the United States and where I began my own adventures VOLUME II will continue my life story from 1973 until Present Day VOLUME III will include fascinating individual stories of my family members **A Good Doctor** Eva Fischer-Dixon,2017-11-29 Everyone who knew Ilana Portman was certain that someday the young girl would grow up to be a popular cardiologist and pulmonary specialist Seeing her ailing grandmother Ilana became ever so determined to fulfill her destiny to become a doctor so she pursued her goal with a vengeance Finishing school years ahead of her peers she became a doctor barely out of her teen years After several personal tragedies in her life the heiress of one of the largest businesses in the USA found herself alone Abigail Abby Page a fellow medical student entered Ilanas life at a vulnerable time and she welcomed her new friend not only emotionally but also allowing her to move in with her A short time later Abby introduced a young man Manfred Man Griffin to Ilana He was also a medical student whom Abby grew up with in Germantown Pennsylvania the three of them became close friends Discovering a betrayal Ilana moves to Washington DC to try to start a new life until Manfred reenters her life Just as she thinks that she has finally found happiness her newest discovery of a potentially deadly betrayal forces her to come up with a dangerous plan that could cost her her own life If she succeeds it would give her the ultimate revenge Is she willing to risk her career more over her own life to fulfill her plan of revenge or will she forgive those who know no mercy when it comes to ruin or even taking her life That question cannot be answered lightly **From Where I Sit . . .** Eva Fischer-Dixon,2018-04-13 Charlotte Lotte Coleman never thinks much about religion or faith in God yet she hopes for a great future She believes that she does not need to pray for things that she can accomplish herself Her outlook dramatically changes when a car accident sends her and her fianc Craig to the hospital While Craig quickly recovers Lottes injuries are devastating and leave her unable to see Craig does the unthinkable and leaves Lotte to face her future without him During Lottes second hospitalization she receives a visit from a priest Father Gabriel who tells her that she must regain hope and

faith in God to succeed in life Upon his suggestion Lotte and her family depart on a pilgrimage to Ftima Portugal There while Lotte crawls toward the shrine on her elbows and hands a man talks to her about his own pilgrimage and prays with her for miracles that he believes could happen Lotte becomes a believer in God and resigns to her faith but miracles begin to happen when they land in Geneva to wait for a transfer flight A doctor from the Geneva Casablanca Institute approaches Lotte with an offer that was too hard to refuse Lotte believes that it is the beginning of what the strange man and what Father Gabriel were talking about so she agrees In Gstaad Switzerland she falls in love with two men Roman a man in his early sixties and his right hand man Carlos about Lottes age Once again Lotte arrives at a crossroad in her life and she must choose carefully and wisely Lotte is only certain of one thing her unshakeable faith in God and she hopes that she has chosen the right man to live with for the rest of her life
