Complete Gundog:

The Complete Gundog Training Manual James Douglas,2003-10-15 Whether you are a duck hunter with a retriever or an upland bird hunter with a pointer whether you have a water dog a setter a pointer or an HPR this book will help you get the best from your dog James Douglas often referred to as the trainer s trainer gives you all the facts and knowledge you need to train the breed of your choice It is written with the authority of 30 years experience training dogs to the highest level This book fully explains how to choose the right breed of dog for your chosen sport It then takes you from a puppy and its early training and care through every step to adulthood making training both fun and rewarding for you and your dog As each progressive step is reached the training regime naturally proceeds through the development of your dog s mind and capabilities until you have a fully trained gundog that you can be proud of

Gundogs David Hancock,2013-08-31 This book is about gundogs those ever willing companions of both sportsmen and discerning dog owners Gundogs is not a manual covering training grooming nutrition and dog care it is very much a celebration of the gundog s contribution to the sporting and companion dog scene an examination of their past their performance and their prospects in an increasingly urban society Painstakingly researched it covers the well known recognized breeds and the more obscure ones from overseas some quite unknown to the British public David Hancock s earlier books have been highly praised as have his many articles in sporting magazine in the last thirty years When reviewing one of his previous books the revered writer on sporting dogs the late Brian Plummer described it as a masterpiece Reviewing his Sporting Terriers Dogs in Canada magazine stated that it has the quality of a classic A reviewer of his last book Sighthounds stated that Hancock s work provokes thinking in the reader the way a good discussion stimulates and refreshes our minds A Canadian reviewer of another of his books gave the view that David Hancock is perhaps the most important living writer about dogs A comprehensive survey of the gundog s origins its role and its future Gundogs is essential reading for all those with an interest in these loyal dogs especially gundog and country sport enthusiasts Meticulously researched and packed with information it covers the well known recognized breeds as well as more obscure ones Superbly illustrated with 360 colour and black white photographs David Hancock has studied dogs for over half a century and is a past winner of the Dog Writers Association of America
