Civilization and Transcendence His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, 1990-01-01 In June 1976 Bhavan's Journal a Bombay cultural and religious magazine sent various religious and spiritual leaders a questionnaire looking for enlightened answers to some of the perplexing questions of the day such as the place of religion in modern society One recipient of their questionnaire was Srila Prabhupada who took the opportunity to make a thorough presentation of the ideal Vedic civilization show the faults of modern society from the viewpoint of transcendence and offer practical solutions based on Krishna conscious teachings His answers to the questionnaire were later compiled and published in this compact and lively book *Civilization and Transcendence* A. C. Bhaktivedanta Swami Prabhupāda, 2011 *The Path of Least Resistance* Robert Fritz, 2014-05-16 *The Path of Least Resistance Learning to Become the Creative Force in Your Own Life* Revised and Expanded discusses how humans can find inspiration in their own lives to drive creative process This book discusses that by understanding the concept of structure we can reorder the structural make up of our lives this idea helps clear the way to the path of least resistance that will lead to the manifestation of our most deeply held desires This text will be of great use to individuals who seek to use their own lives as the driving force of their creative process *The Destiny of Civilization* Radhakamal Mukerjee, 1964 *Wholeness Or Transcendence?* Georg Feuerstein, 1992 A cross sectional view of the entire complex of Indian spirituality with special reference to the omnipresent and ramifying tradition of yoga **Being After Rousseau** Richard L. Velkley, 2002-04-02 In *Being after Rousseau* Richard L Velkley presents Jean Jacques Rousseau as the founder of a modern European tradition of reflection on the relation of philosophy to culture a reflection that calls both into question Tracing this tradition from Rousseau to Immanuel Kant Friedrich Schelling and Martin Heidegger Velkley shows late modern philosophy as a series of ultimately unsuccessful attempts to resolve the dichotomies between nature and society culture and civilization and philosophy and society that Rousseau brought to the fore The Rousseauian tradition begins for Velkley with Rousseau's criticism of modern political philosophy Although the German Idealists such as Schelling accepted much of Rousseau's critique they believed unlike Rousseau that human wholeness could be attained at the level of society and history Heidegger and Nietzsche questioned this claim but followed both Rousseau and the Idealists in their vision of the philosopher poet striving to recover an original wholeness that the history of reason has distorted
