Levine,2020-12-29 *Healing the Reason Emotion Split* draws on research from experimental psychology and neuroscience to dispel the myth that reason should be heralded above emotion Arguing that reason and emotion mutually benefit our decision making abilities the book explores the idea that understanding this relationship could have long term advantages for our management of society s biggest problems Levine reviews how reason and emotion operated in historical movements such as the Enlightenment Romanticism and 1960s counterculture to conclude that a successful society would

restore human connection and foster compassion in economics and politics by equally utilizing reason and emotion Integrating discussion on classic and contemporary neurological studies and using allegory the book lays out the potential for societal change through compassion and would be of interest to psychologists concerned with social implications of their fields philosophy students social activists and religious leaders The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial CC BY NC 4.0 license

*Caribbean Review*, 1985      Chain Reaction Darrell Scott, Steve Rabey, 2001-04-01 Rachel Scott and her killer Eric Harris both talked about starting a chain reaction Eric used violence to kill and destroy at Columbine High School But Rachel chose another path In a personal creed she wrote one month before her death in the Columbine tragedy she explained her conviction that if one person goes out of his or her way to show compassion it will start a world changing chain reaction of kindness For Rachel this was a solemn calling And now her father Darrell Scott is carrying on her crusade by challenging people of all ages to commit themselves to creating a revolution of compassion that can make a real difference in our troubled world Chain Reaction spells out this challenge in compelling detail providing moving examples of practical compassion and giving illustrations from Rachel's life and journals      *Reports and Symposiums*, 1971      **The Literary**
