A Firm Foundation:

A Firm Foundation David Nungester,2019-12-06 The Church today is full of people who love God but have no idea what they believe about God other than that He loves them The teaching that God loves everyone so much that He sent Jesus to die for us is the beginning of our faith and absolutely necessary to become part of Christ s body on the earth However in order to grow more with God it is also necessary for the believer to begin to align their believing with the Word of God The writer of Hebrews gives us clear foundational doctrine for the New Testament Church today These six fundamental doctrines are the basis on which the Church has been set Without a good understanding of these elementary principles the growth of the Church will be stagnant because we are trying to build something on a foundation different from what the Word instructs Throughout the reading of this book you will find thorough evidence using scripture after scripture that supports the doctrines that are laid out in Hebrews 6 1 2 As the Church builds on these doctrines and teaches them as the beginning of all good things for the people of God the Church will be positioned to soar to new heights that have yet to be seen in previous ages

Building a Firm Foundation Rev. Richard W. Gilbert,2021-08-26 The family within and outside the church is under attack Our culture seeks to revise and redesign what a family looks like For those choosing to marry their choice does not guarantee continued longevity and success For both secular society and the church the divorce rate continues to remain in excess of fifty percent While couples think that they love one another and believing that will be sufficient for a life time the reality is there is much they need to know in order to build a solid foundation for a lifelong marriage This book present not only the biblical roles in marriage but also many of the core issues and situations that arise in day to day marital living In these pages the couple is encouraged and helped to talk together about comfortable topics uncomfortable topics and topics they didn t know they should be discussing Understanding love communication anger conflict resolution and money management are key subjects of discussion in these pages

[Building a Firm Foundation](#) Marylynn D. Wesson, D.Min.,2023-03-17 Parents are the primary educators of their children as stated in the Catechism of the Catholic Church Para 1653 Moreover the Second Vatican Council document Lumen Gentium identifies parents as the first heralds of the faith to their children Unfortunately many parents today are ill equipped to take on this role because they haven t been fully evangelized in the Christian Faith Building a Firm Foundation is an eight week evangelization and formation program for parents and guardians whose children are preparing for their first sacraments This foundational program starts at the very beginning with the kerygma the initial Gospel proclamation that introduces each of us to Christ Rather than focusing on Catholic doctrine the program s goal is to stoke a desire to grow together in faith in an intentional way as a family by awakening parents to the importance of a relationship with Jesus and his Church Once evangelized only then will parents be more receptive to the catechesis that will nourish and deepen the faith of their entire family Building a Firm Foundation will awaken in parents the capacity for an active relational faith and equip them as they in partnership with their children s

Firm Foundation David A. Burgess,2022-01-07 When I first came to the saving knowledge of Jesus Christ I did not know where to start in the word of God so I began seeking the Lord for direction on what to study and how to study Some of the things He showed me were salvation redemption faith covenant Holy Spirit and Jesus the Christ After years of studying the Word of God and applying its life changing principles to the circumstances that came to me in life I have learned what it means to walk by faith and not by sight Now today I know that the Word of God is true and that it works The Word of God has the ability to change life situations by living acting doing the Word No matter where you are in life the Word of the Lord can change your circumstances I pray that by reading this book it will serve as a guide to lead you on a journey to success and prosperity in the things of God This is just to get you exposed to some of the basic teachings of Christianity I believe you will receive direction in your walk with the Lord I encourage you to study faith Jesus redemption salvation covenant and Holy Spirit Take each chapter and study diligently Look up the scripture given at the bottom of the page and apply what you read to your life By doing the Word you will be building on a firm foundation for success in every area of life [Upon This Rock](#) Rosie Rivera,2014-09-26 Many new believers struggle due to a lack of knowledge The Bible states that we as baby Christians should desire the sincere milk of the Word that we might grow by it Many people get born again and go back into the old lifestyle because they have no root in the Word and their foundation is weak I would like to see every new believer become established and grounded in the Word so that they have a firm foundation that cannot be moved Tests and trials come to each of us and the type of foundation our life is built upon determines whether we stand or fall The more we understand the Word the stronger our foundation becomes God desires that we take His written Word and His revealed Word and apply

them to our daily lives This book is intended to inspire new believers to go after God to get to know Him and to love the Word There is no greater joy than knowing Jesus who came to give His life for us so that we can have eternal life *A Firm Foundation: From Genesis Chapters 1-3* Kenneth Gullett,2019-11-08 A properly formed foundation is the most important part of a building Foundations are not always readily seen yet the structure either will stand or fall when adversity comes its way In the same sense faith is built upon a spiritual foundation the word of God The more that is known of God and who He is the greater our faith becomes in times of trial **A Firm Foundation** David H.
