A Gift For Living:

All is Gift: Living in Thanksgiving Doug Frazer, 2025-08-28 All Is Gift Living in Thanksgiving Invites you to see your entire Christian life as the gift of a gracious God Drawing on Scripture and Martin Luther s Small Catechism this 30 day devotional reminds you that every part of life body and soul daily bread faith itself comes first from God s hand Stewardship is not about giving what is ours but about returning what already belongs to Him Along the way you will see how The First Article of the Creed teaches us that God the Creator gives and sustains life with all we need The Fourth Petition of the Lord s Prayer reminds us to pray for and receive daily bread with thanksgiving The Third Article of the Creed confesses that the Holy Spirit calls gathers and keeps us in the one true faith Gratitude leads naturally into praise service and joyful giving Whether in times of abundance or need God s promises are most certainly true Whether for personal reflection or for group study during stewardship season All Is Gift will lead you to rejoice in this truth All that you have and all that you are is God s gracious gift

Living Water Martyn Lloyd-Jones, 2009-01-14 This substantial volume includes more than fifty never before published expository sermons on John 4 from one of the twentieth century s greatest preachers It was just a conversation between two people by the side of a well in Samaria One a local woman came to perform her daily task of drawing water Another a Jewish man tired from traveling sat down for a drink But he wasn t just any Jewish man and this wasn t just any conversation The man Jesus revealed himself as the Messiah leading to the conversion of not only the Samaritan woman but many from her town Now for the first time fifty six sermons by Martyn Lloyd Jones on this passage of Scripture are available in Living Water Lloyd Jones known for his ability to clearly communicate profound theological concepts digs into this familiar passage from the fourth chapter of the Gospel of John exposing fresh layers of truth His perceptive analysis is helpful for all who thirst for the living water that only Jesus can provide

By Gospel Alone David Menendez, 2018-09-18 The present work pursues an apologetic plea on behalf of the gospel It would seem to many that the gospel is doing just fine and we need to concentrate on other very pressing and important issues such as missions evangelism social justice moral transformation and change just to name a few But it will be our argument that no matter how good it may be with the gospel and how many other pressing issues may exist the church must continually articulate the gospel as the ever pressing need of the day And by gospel we mean the doctrine of Christ s perfect God pleasing life as empowered by the Spirit under the law in order to be the Father s incarnate Lamb of God who takes away sin by his atoning reconciling death for the justification of sinners by faith alone without their works merits or obedience before God It is the doctrine of faith grace and Christ alone in order to be thus received and embraced by the lavish abundant and unconditional loving mercy of the triune God Furthermore we want to show that the Gospel provides a very practical framework to live in communion with God and with one another It is indispensable for living and for living such a life as it is daily delivered by God unto us sinners in the communication and apprehension of the Gospel as undeserved and unconditional yet efficacious and transforming gift *The Sacred Wheel of*
