Framed for Murder Cathy Spencer, 2014-02-21 Winner of the 2014 Bony Blithe Mystery Award Anna Nolan discovers her ex husband Jack on a deserted country road one night dead unfortunately He could only have been in town to see Anna unless Jack was looking for their son Ben At least that's how the tall cool Brit leading the police investigation sees it To divert suspicion away from her son and herself Anna delves into Jack's personal life only to discover that the actor had been romancing three very different women on a nearby film set With some rather unorthodox ideas on how to conduct a murder investigation Anna sets about meeting her ex husband's lovers with harrowing results a true chiller thriller that I couldn't put down MysteryNet Review I seldom give five stars for a book but in this case I don't have another possibility It's an absolutely brilliant story Goodreads Review Tags cozy mystery romantic suspense female amateur sleuth small town humor pets
