Part III Rights, Society, and Economy: This part deals with Hong Kong's National Security Law and its impact on the one country two systems model, social movements and constitutionalism, LGBT rights advocacy, the integration of capitalist regions within socialist China, the constitutional relevance of labour reforms in Mainland China, healthcare rights in both the Mainland and the SARs, and foreign investment under Art 18 of the PRC Constitution. Part IV Transnational Engagement: This part surveys comparative writings on China's constitution, the influence of international human rights treaties on China's constitutional order, the international dimension of Hong Kong's constitutional order, and the changing role of the overseas judges in Hong Kong. It considers the risks of introducing national security legislation in Hong Kong and Hong Kong's
