Raising the Bar Pamela Sue Williams, Jim Eber, 2012 Just give me all your chocolate and no one gets hurt Billions of us worldwide understand what it means to scream those words We feel lost even unhinged without chocolate s pleasures And if chocolate is the music that makes our days brighter fine chocolate is the symphony the richest most complex form in the chocolate universe The most important movement in that symphony s

centuries old existence is now beginning And that future is what A world of gray monochromatic flavor or one rich with a rainbow of flavors that capture the myriad pleasures and diversity of the cocoa bean In the spirit of Michael Pollan s *The Omnivore s Dilemma Raising the Bar The Future of Fine Chocolate* tells the story of what that next movement in the fine flavor chocolate symphony might hold Told in four lively parts covering everything from before the bean to after the bar genetics farming manufacturing and bonbons the book features interviews with dozens of international stakeholders across the fine flavor industry to consider the promises and pitfalls ahead It looks through what is happening today to understand where things are going while unwrapping the possibilities for the millions and millions of us who believe that life without the very best chocolate is no life at all

Part One Seeds of Change Genetics and Flavor The genetic story of the future of flavor cacao told through discussions with researchers scientists and experts around the world who are involved at the genetic level from the mapping of the cacao genome to the Heirloom Cacao Preservation Initiative that seeks to connect flavor to genetics to the work being done on the ground to confront the spread of low flavor beans and ensure cacao quality and diversity for future generations

Part Two From the Ground Up Farmers Farming and Flavor Discussion of the issues of growing cacao from an ecological and sustainable perspective given the reality of where it is grown Interviews and stories cover the majority of fine flavor growing regions and myriad efforts to add value and values to fine flavor chocolate preserve protect and propagate flavor cacao for the future and ensure that the beans are as good as they can possibly be The realities and possibilities of fair trade chocolate and the work being done on fermentation are also covered

Part Three To Market To Market Craftsmanship Customer Education and Flavor Can consumers learn to slow down taste explore and value the costly complexity of fine chocolate Though the future looks bright by some measurements sometimes the numbers aren t what they seem Discussions with both artisan and traditional chocolate manufacturers around the world on how they see the market and sources for fine flavor beans and what they are doing to educate their customers about their craft including a survey of the nature of raw organic and functional chocolate

Part Four Performing Flavor The Art of the Chocolatier Whether watching over those creations traveling the world to discover new pairings or simply taking their love of Junior Mints to the highest level the world s fine flavor chocolatiers are all deeply aware of the stage they work on and the importance of taste in every performance The future of their creations the most flavorful and beautiful bonbons and confections in the world are discussed as these chocolatiers confront the issues surrounding the preservation of their craft and how they see their flavors and recipe development changing or not in the future

Duncan & the Chocolate Bar Duane Lance Filer, 2015-07-25 The year is 2050 The space shuttle to the moon has been a reality since 2030 There have been scientists explorers politicians entertainers and celebrities Just about every type of scientific type person has been or has plans to go to the moon but no ordinary people have been included Black white brown or yellow no regular ordinary people have been to the moon Finally in 2050 the USA government has decided it is time to send some regular folks to the moon A contest was held to pick three

lucky souls to be sent to the moon Each person selected could also bring a friend And the best part is that the government claims once the lucky winners get to the moon there would be a surprise waiting for them Young Duncan Dunk Sylers eleven years old and from the city of Compton California enters the contest You guessed it Dunk wins and decides to take his younger cousin Drew on the exploration of a lifetime Follow along as Duncan Drew and the other winners including a wannabe hippie who brings his parrot as his guest as well as an aging actress and her equally washed up boyfriend travel toward the moon Do they succeed Youll have to read the book [Making Chocolate](#) Dandelion Chocolate,2017-11-14 From nationally lauded San Francisco chocolate maker Dandelion Chocolate comes the first ever complete guide to making chocolate from scratch From the simplest techniques and technology like hair dryers to rolling pins to the science and mechanics of making chocolate from bean to bar Making Chocolate holds everything the founders and makers behind San Francisco s beloved chocolate factory have learned since the day they first cracked open a cocoa bean Best known for their single origin chocolate made with only two ingredients cocoa beans and cane sugar Dandelion Chocolate shares all their tips and tricks to working with cocoa beans from different regions around the world There are kitchen hacks for making chocolate at home a deep look into the nuts bolts and ethics of sourcing beans and building relationships with producers along the supply chain and for ambitious makers tips for scaling up Complete with 30 recipes from the chocolate factory s much loved pastry kitchen Making Chocolate is a resource for hobbyists and more ambitious makers alike as well as anyone looking for maybe the very best chocolate chip cookie recipe in the world *The Book of Chocolate* Harvey P. Newquist,2017 From its origin as the sacred bitter drink of South American rulers to the familiar candy bars sold by today s multimillion dollar businesses people everywhere have fallen in love with chocolate the world s favorite flavor Join science author HP Newquist as he explores chocolate s fascinating history **Is It a Sin to Eat a Chocolate Bar?** Mary Wolf,2000-06-27 TEXT FOR AUTHOR BIO Mary Hoffman Wolf lives in Carol Stream Illinois with her husband and three children She has worked as an English Teacher at both the junior high and senior high levels and is now serving as Director of Children s Ministries at Fellowship Church of Carol Stream TEXT FOR BOOK DESCRIPTION Thirty year old Zoe DeYoung the label loving emotionally impaired librarian at Lane High School in Chicago is determined to live out her pathetically infertile loveless life in peace Fully convinced that human relationships of any kind would be detrimental to her emotional health she refers to the gigantic glass and steel monoliths that constitute the heart of the city as her best friends and counts a pen and paper as her only reliable therapists When her colleague Marcus Jones offers her the perfect third floor flat to live out her self imposed exile from humanity Zoe meets his wife Anna Jones a thoroughly modern white farm girl who has turned her back on her past by marrying a black man and taking up residence in the city The bond of a friendship born of quiet desperation soon becomes the anchor of both their lives Sharing the pleasure of a chocolate bar is easy learning to share the pain they are both trying so hard to ignore is the challenge Encouraged by Zoe s quest to embrace all that life has to offer

outside of human relations Anna takes a chance that may prove fatal To sustain her friend Zoe must then risk opening up her heart beyond aesthetics to real relationships by becoming a second mother to Anna s children reconciling with her own banished family and learning to love a man who is the antithesis of what she thinks she s always wanted In the end both Anna and Zoe get more than they ever bargained for
