Justice of the Peace, 1872 *Justice of the Peace and Local Government Review*, 1871 **Negotiated Settlements in Bribery Cases** Tina Søreide, Abiola Makinwa, 2020-04-24 This thought provoking book examines the scope benefits and challenges of negotiated settlements as an enforcement mechanism in bribery cases and demonstrates the need for a more harmonized and principled approach to deterring corporate bribery Written by a global team of experts with backgrounds in legal practice policy work and academia it offers a truly international perspective considering negotiated settlements in view of a variety of different legal systems and traditions The Politics of Postsecular Religion Ananda Abeysekara, 2008-05-08 Ananda Abeysekara contends that democracy along with its cherished secular norms is founded on the idea of a promise deferred to the future Rooted in democracy's messianic promise is the belief that religious political identity such as Buddhist Hindu Sinhalese Christian Muslim or Tamil can be critiqued neutralized improved and changed even while remaining inseparable from the genocide of the past This facile belief he argues is precisely what distracts us from challenging the violence inherent in postcolonial political sovereignty At the same time we cannot simply dismiss the democratic concept since it permeates so deeply through our modernist capitalist and humanist selves In *The Politics of Postsecular Religion* Abeysekara invites us to reconsider our ethical political legacies to look at them not as problems but as aporias in the Derridean sense that is as contradictions or impasses incapable of resolution Disciplinary theorizing in religion and politics he argues is unable to identify the aporias of our postcolonial modernity The aporetic legacies which are like specters that cannot be wished away demand a new kind of thinking It is this thinking that Abeysekara calls mourning and un-inheriting Un-inheriting is a way of meditating on history that both avoids the simple binary of remembering and forgetting and provides an original perspective on heritage memory and time Abeysekara situates aporias in the settings and cultures of the United States France England Sri Lanka India and Tibet In presenting concrete examples of religion in public life he questions the task of refashioning the aporetic premises of liberalism and secularism Through close readings of Nietzsche Heidegger Arendt Derrida Butler and Agamben as well as Foucault Asad Chakrabarty Balibar and Žižek he offers readers a way to think about the futures of postsecular politics that is both dynamic and creative The Devoured Dream Gai Chol Paul, 2026-01-14 South Sudan was born from one of the longest and most costly liberation struggles in modern history Its independence carried the hopes of millions who believed that decades of sacrifice would finally yield dignity justice and peace Yet what followed was not the fulfillment of that promise but its betrayal *The Devoured Dream* is a searing examination of how the Sudan People's Liberation Movement transformed into a ruling elite how institutions meant to protect the people were captured and hollowed out and how violence silence and corruption became normalized in the life of South Sudan Moving beyond simplistic explanations the book exposes the moral collapse at the heart of South Sudan's tragedy where power was divorced from responsibility and guardianship gave way to predation Through careful analysis and

human narrative the book traces the journey from hope to heartbreak from stolen independence and militarized politics to silenced streets abandoned generations and the erosion of trust between state and citizen It confronts not only the failures of leadership but also the complicity of institutions intellectuals and international actors who chose stability over justice Yet this is not a book of despair It is a work of memory and moral reckoning By insisting on truth accountability and remembrance The Devoured Dream argues that betrayal need not define South Sudan s destiny Redemption remains possible but only through confronting the past without illusion and reclaiming leadership grounded in service rather than domination Written with clarity courage and ethical urgency this book is essential reading for anyone seeking to understand South Sudan the dangers of betrayed liberation and the fragile line between freedom and bondage in postcolonial states [European White-Collar Crime](#) Nicholas Lord,Éva Inzelt,Wim Huisman,Rita Faria,2021-07-21 Presenting an original series of provocative essays this book offers a European framing of white collar crime Experts from different countries foreground what is unique innovative or different about white collar and corporate crimes that are so strongly connected to Europe [To Speak Well of God: An Exposition of the Book of Job](#) John Pople,2009-04-28 It begins with the Divine injunction Have you considered my servant Job The Biblical drama of Job is haunting A blameless man is tormented by the Satan stripped of wealth status possessions health and children all with God s permission Who is this Satan More chilling still who is this God And why despite this cataclysmic carnage does the drama focus on the resulting argument between Job and his 3 friends The ending of the drama seems no clearer When God reveals Himself what is He saying Finally God restores Job Yet does this truly repair His permitted destruction of him With its distinctive identification of the Satan this interpretation offers unique insights into the classic interactions between God Satan and the Righteous Man revealing the Messianic message encoded within Most importantly it lends reason to persevere in faith as Job did and speak well of God **Colorado Commission on Criminal and Juvenile Justice ...
