

"Astonishing...vividly convey[s] the texture of life under an emerging totalitarian regime...[a] masterpiece." — *The New York Times Book Review*

Defying HITLER

A MEMOIR

SEBASTIAN HAFFNER

PICADOR

Defying Hitler

AW Rasmussen

Defying Hitler:

Defying Hitler Sebastian Haffner, 2002 When the German historian Sebastian Haffner died in 1999 aged 91 his son discovered the manuscript for this book hidden in a chest of drawers It had been written in 1939 in England but abandoned when the war broke out The reasons which made Haffner put it aside its rawness its revelations its closeness to the events it describes are precisely what makes it such compelling reading today This memoir of growing up in Berlin between 1914 and 1933 shows how his generation of German youth were seduced by Hitler and the Nazis The First World War turned Sebastian Haffner aged seven in 1914 into a fanatical jingoist The numbing shock of defeat in 1918 is followed by the confusion of revolution and republic and then the hyperinflation of 1923 The currency is stabilized but as the 1920s continue the Weimar Republic fails to capture the imagination of the Germans whose capacity for private happiness Haffner believes has been fatally sapped by the events of 1914 1924 Under the illusion of normality the Nazi revolution is steadily gaining ground

Defying Hitler Sebastian Haffner, 2026-10-15 An absolute classic of autobiography and history one of the few books to explore how and why the Germans were seduced by Hitler and Nazism If you have never read a book about Nazi Germany before or if you have already read a thousand I would urge you to read DEFYING HITLER It sings with wisdom and understanding DAILY MAIL Sebastian Haffner was a non Jewish German who emigrated to England in 1938 This memoir written in 1939 but only published now for the first time begins in 1914 when the family summer holiday is cut short by the outbreak of war and ends with Hitler s assumption of power in 1933 It is a portrait of himself and his own generation in Germany those born between 1900 and 1910 and brilliantly explains through his own experiences and those of his friends how that generation came to be seduced by Hitler and Nazism The Germans lacked an outlet for self expression where the French had amour food and wine and the British their gardens and their pets the Germans had nothing leading to a tendency towards mass psychosis The upheaval of post WWI revolution factionalism and inflation left the Germans addicted to excitement and action Hitler provided this and more

Defying Hitler Sebastian Haffner, 2026-08-18 Written in 1939 and unpublished until 2000 Sebastian Haffner s memoir of the rise of Nazism in Germany offers a unique portrait of the lives of ordinary German citizens between the wars Covering 1907 to 1933 his eyewitness account provides a portrait of a country in constant flux from the rise of the First Corps the right wing voluntary military force set up in 1918 to suppress Communism and precursor to the Nazi storm troopers to the Hitler Youth movement from the apocalyptic year of 1923 when inflation crippled the country to Hitler s rise to power This fascinating personal history elucidates how the average German grappled with a rapidly changing society while chronicling day to day changes in attitudes beliefs politics and prejudices **Women**

Defying Hitler Nathan Stoltzfus, Mordecai Paldiel, Judy Baumel-Schwartz, 2021-08-12 This timely volume brings together an international team of leading scholars to explore the ways that women responded to situations of immense deprivation need and victimization under Hitler s dictatorship Paying acute attention to the differences that gender made Women Defying

Hitler examines the forms of women's defiance, the impact these women had, and the moral and ethical dilemmas they faced. Several essays also address the special problems of the memory and historiography of women's history during World War II, and the book features standpoints of historians as well as the voices of survivors and their descendants. Notably, this book also serves as a guide for human behaviour under extremely difficult conditions. The book is relevant today for challenging discrimination against women and for its nuanced exploration of the conditions minorities face as outspoken protagonists of human rights issues and as resisters of discrimination. From this perspective, the voices being empowered in this book are clear examples of the importance of protest by women in forcing a totalitarian regime to pause and reconsider its options for the moment. In revealing so, *Women Defying Hitler* ultimately foregrounds that women rescuers and resisters were and are of great continuing consequence.

Defying Hitler Gordon Thomas, Greg Lewis, 2019. Nazi Germany is remembered as a nation of willing fanatics, but countless Germans actively resisted Hitler. No matter how small the act, the danger was the same: any display of defiance was met with arrest, interrogation, torture, and even death. Thomas and Lewis follow the underground network of Germans who believed standing against the Führer to be more important than their own survival. Their bravery is astonishing, and the authors illuminate their struggles, yielding an accessible narrative history with the pace and excitement of a thriller.

Resisting Nazism Luke Berryman, 2026-01-22. *Resisting Nazism* paints a vivid picture of resistance to far-right extremism across the generations.

Defying Hitler: Proof Sebastian Haffner, 2002-05-01. *Defying Hitler* Nel Yomtov, 2018-08. The last thing Adolf Hitler expected to see in Nazi Germany was a black man winning a gold medal. But Jesse Owens didn't just win at the 1936 Summer Olympics; he dominated the track and field events, winning four gold medals and setting several world records. With action-packed illustrations, now you can watch one of the greatest moments in sports history as Owens proves that people of any race can compete and win at the Olympic games.

Invasive Aliens: The Plants and Animals From Over There That Are Over Here Dan Eatherley, 2019-06-27. The story of invasive species is really the story of human history, and Eatherley tells it with great verve. Fascinating Daily Telegraph. A unique history of plant and animal invaders of the British Isles, spanning thousands of years of arrivals and escapes, as well as defences mounted and a look to the future.

War Crimes and War Crime Trials John C. Watkins, John Paul Weber, 2006. This is both a casebook of selected war crime decisions by various national and international tribunals in the twentieth and early twenty-first centuries, as well as a brief historical account of the geopolitical, diplomatic, and military events surrounding them. The text is divided into six parts, arranged in chronological order, beginning with the Hague Peace Conferences of 1899 and 1907, up to the Summer 2004 decisions by the Supreme Court of the United States, which dealt with transnational terrorism committed by United States citizens, as well as the Guantanamo Bay, Cuba detainees held under the authority of the Bush Administration. *War Crimes and War Crime Trials* contains edited excerpts from forty-four judicial opinions, embellished with a congeries of international, national, military, and political documents that add context to the case.

law The editors have included fairly extensive selections from some of the major materials that have surrounded subsequent war crime litigation Also included are an epilogue by Michael Ignatieff an eleven entry appendix a glossary containing over 200 words a reference section of over 1 400 citations from a wide variety of legal historical and international relations literature and a name and subject index War Crimes and War Crime Trials From Leipzig to the ICC and Beyond Cases Materials and Comments edited by John C Watkins Jr and John Paul Weber is the most complete book on the subjects to date In these challenging times it is an essential reference for all who study or are engaged in the events brought about by September 11 2001 Frank J Williams Chief Justice of the Supreme Court of Rhode Island and Member of the Military Commissions Review Panel Skillfully edited the book weaves together an eclectic tableau of primary and secondary sources drawn from major court decisions and scholarly commentary over the past century The result is a versatile stand alone text and reference that should appeal to students of law political science criminal justice history and international relations alike

CHOICE Magazine **The Jews Were Expendable** Monty Noam Penkower,1983 *Women Defying Hitler* Nathan Stoltzfus,Mordecai Paldiel,Judy Baumel-Schwartz,2021-08-12 This timely volume brings together an international team of leading scholars to explore the ways that women responded to situations of immense deprivation need and victimization under Hitler s dictatorship Paying acute attention to the differences that gender made *Women Defying Hitler* examines the forms of women s defiance the impact these women had and the moral and ethical dilemmas they faced Several essays also address the special problems of the memory and historiography of women s history during World War II and the book features standpoints of historians as well as the voices of survivors and their descendants Notably this book also serves as a guide for human behaviour under extremely difficult conditions The book is relevant today for challenging discrimination against women and for its nuanced exploration of the conditions minorities face as outspoken protagonists of human rights issues and as resisters of discrimination From this perspective the voices being empowered in this book are clear examples of the importance of protest by women in forcing a totalitarian regime to pause and reconsider its options for the moment In revealing so *Women Defying Hitler* ultimately foregrounds that women rescuers and resisters were and are of great continuing consequence

Arndt's Story Peter Coleman,Selwyn Cornish,Peter Joseph Drake,2007 *1939* R. J. Overy,2009 A leading historian re creates the final hours of peace in Europe Overy vividly chronicles the unraveling of peace hour by grim hour as politicians and ordinary citizens brace themselves for a war that could spell the end of European civilization *The Friend of Zion* ,1940 *Collier's* ,1941 **The Holocaust Film Sourcebook: Documentary and propaganda** Caroline Joan Picart,2004 A comprehensive filmography listing fictional narrative films in the first volume and documentary and propaganda films in the second The films listed alphabetically were produced in many different countries The work lists films made during World War II and after including Nazi films Each entry provides bibliographic information a summary of the story and a list of primary and secondary sources Each volume contains a few spotlight essays Partial

contents Destiny ,1940 The Middle Path Sir Montague Maurice Burton,1943 **Varieties of Anti-Fascism** Nigel Copsey, Andrzej Olechnowicz, 2010-09-30 This volume of essays by a number of the foremost experts in the field examines the varieties of anti fascism in inter war Britain Anti fascism between the wars is still most frequently associated with the extreme left and its violent street confrontations with Mosley s British Union of Fascists By extending the scope of anti fascism to include center and right wing opinion and a wide range of institutions this book breaks new ground Chapters examine the state political parties of left and right the media the churches the involvement of women and the responses of intellectuals It also discusses the impact of European anti fascist exiles and the legacy of anti fascism on the post war British Establishment This volume examines the varieties of anti fascism in inter war Britain Ordinarily anti fascism is defined in terms of anti fascist activism By extending the scope of the concept this book breaks new ground Chapters examine political parties the state the media women the churches and intellectuals
