was totally unqualified for the ministry that God planned for him he followed the path with faith and courage If Mark had taken others advice he would never have driven a trailer full of wheelchairs to Guatemala in 1988 But over time that act of obedience grew into a ministry that has impacted hundreds of thousands All We Need is a Pair of Pliers shows how Mark developed The Beeline an organization that offers appropriate wheelchair to the millions across the globe who need them Throughout its pages readers learn that all they need to say is You know what I think God can use me
