Cosmos And Pornografia:

Cosmos and Pornografia Witold Gombrowicz, 1985 Here are two major works by the famed Polish novelist and dramatist Witold Gombrowicz The first *Cosmos* a metaphysical thriller revolves around an absurd investigation It is set in provincial Poland and narrated by a seedy pathetic and witty student who is charming and appalling by turns and whose voice is dense with the richly palpable description that characterizes Gombrowicz's writing The second *Pornografia* explores the sinister effect the young can have on the old To serve their own secret eroticism two aging intellectuals encourage a young couple to commit murder Although the adolescents are the weapons used to commit the crime the four become conspirators before the deed is done

Gombrowicz in Transnational Context Silvia Dapia, 2019-06-12 Witold Gombrowicz 1904-1969 was born and lived in Poland for the first half of his life but spent twenty-four years as a migrant in Argentina before returning to Europe to live in West Berlin and finally Vence France His works have always been of interest to those studying Polish or Argentinean or Latin American literature but in recent years the trend toward a transnational perspective in scholarship has brought his work to increasing prominence Indeed the complicated web of transnational contact zones where Polish Argentinean French and German cultures intersect to influence his work is now seen as the appropriate lens through which his creativity ought to be examined This volume contributes to the transnational interpretation of Gombrowicz by bringing together a distinguished group of North American Latin American and European scholars to offer new analyses in three distinct themes of study that have not as yet been greatly explored Translation Affect and Politics How does one translate not only Gombrowicz's words into various languages but the often cultural laden meaning and the particular style and tone of his writing What is it that passes between author and reader that causes an affect How did Gombrowicz's negotiation of the turbulent political worlds of Poland and Argentina shape his writing The three divisions of this collection address these questions from multiple perspectives thereby adding significantly to little known aspects of his work

Ferdydurke Witold Gombrowicz, 1978

Cosmos Witold Gombrowicz, 2011 Two young men meet by chance in a Polish resort town in the Carpathian Mountains Intending to spend their vacation relaxing they find a secluded family-run pension But the two become embroiled first in a macabre event on the way to the pension then in the peculiar activities and psychological travails of the family running it

Cover *Gombrowicz's Grimaces* Ewa Plonowska Ziarek, 1998-01-29 Examines Gombrowicz's modernist aesthetics in the context of his critique of nationalism his exploration of queer eroticism and his interest in hybrid and subaltern identities

Proceedings of the ... Meeting of the Rocky Mountain Council on Latin American Studies Rocky Mountain Council on Latin American Studies. Meeting, 1980 Latin American Writers on Gay and Lesbian Themes David William Foster, Emmanuel Sampath Nelson, 1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author's writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe The Other in Polish Theatre and Drama Conference The Other in Polish Theatre and Drama, 2004 Swedish-Polish Modernism Małgorzata Anna Packalén, Sven Gustavsson, 2003 **European Writers** William Thomas Hobdell Jackson, George Stade, 1983 Covers writers who have made significant contributions to European literature Includes in depth critical and biographical analysis **Critical Survey of Long Fiction: Ralph Ellison-Jamake Highwater** ,2000 **Twentieth-century Eastern European Writers** Steven Serafin, 1999 Indiana Slavic Studies ,2003
