Cotswald Ordeal:

A Cotswold Ordeal Rebecca Tope,2006 Thea finds herself in the middle of another crime scene investigation

A Cotswold Casebook Rebecca Tope,2016-10-20 A brand new collection of twelve short stories featuring the popular characters from Rebecca Tope s Cotswold mystery novels A suspicious funeral a fatal encounter at a garden centre of all places and a country walk marred by the discovery of a hidden corpse are just some of the perplexing situations with which Thea Osborne her friends and a further cast of characters must contend In this expanded view of the world of her popular books Tope reminds us that death and crime will visit even the most idyllic country villages

Betrayal in the Cotswolds Rebecca Tope,2022-07-21 As Rebecca Tope tells it every rural idyll is blighted by underlying menace Such is her writing skill I m inclined to believe her Daily Mail A handsome if slightly shabby stone house in Upper Oddington is home to Umberto Kingley as well as his three dogs and will be Thea Slocombe s latest house sitting assignment Without even a local shop Thea expects the location to be one of her quietest until the serene atmosphere is shattered with a fatal hit and run The ensuing high profile police investigation plunges Thea deep into the victim s complicated family dynamics and the rift that had already torn it apart And she cannot help wondering if the reverberations of scandal have led to a deliberate and murderous assault

A Discovery in the Cotswolds Rebecca Tope,2023-08-24 A classic British cozy crime mystery set in the idyllic Cotswold countryside Thea Osborne reconnects with her friend Emmy while on a visit to the church in Baunton near Cirencester with her stepdaughter Stephanie Emmy now married to local farmer Nick Weaver asks Thea to help them find their missing niece Ginny But before Thea can get started she stumbles upon the recently killed body of Alice a woman they had briefly seen in Cirencester the day before Stephanie concentrates on searching for Ginny via social media while Thea is diverted into helping the police with the murder investigation It soon becomes clear that Ginny and Alice are linked in a sinister way

Echoes in the Cotswolds Rebecca Tope,2021-07-22 As Rebecca Tope tells it every rural idyll is blighted by underlying menace Such is her writing skill I m inclined to believe her Daily Mail As spring returns to the Cotswolds so too does Thea Slocombe to house sitting She has agreed to look after Lucy Sinclair s new home in Northleach while she is away and Thea is glad of the change of scene She soon meets several of the locals who seem to irritate Lucy so much and comes to the conclusion that Lucy is far from popular herself When a man s body is found in Northleach Thea needs all her wits about her At the heart of the mystery are secrets betrayed and revenge exacted and Thea is once again caught up in underhand dealings played out in the idyllic countryside

[A Cotswold Ordeals: Cotswold Mysteries 2 \(Large Print 16pt\)](#) Rebecca Tope,2014-05-02 Thea Osborne embarks on her second housesitting assignment with very few worries after her first disastrous venture during which she became entangled in a murder case But the Phillips are obviously a laid back family and there is little to do but tend and ailing pony and feed various furry pets and farmyard birds However it seems Thea is jinxed as an apparent suicide takes place in one of the barns DI Phil Hollis is more than a little surprised to find Thea at the center

of this second police investigation and realizes that she can be more of a hindrance than a help but they find themselves working closely together to solve the mystery once again *The Writers Directory*, 2013 **REBECCA TOPE**
COLLECTION REBECCA. TOPE, 2011 *The British National Bibliography* Arthur James Wells, 2007 **Yeomen of the Cotswolds** Eleanor Porter, Mary Abbott, 1995 Revisiting Robert Tressell's Mugsborough Julie Cairnie, Marion Walls, 2008 Robert Noonan whose pseudonym was Robert Tressell was born in Dublin Ireland in 1870 and died in Liverpool England in 1911 During his short life he lived in three countries Ireland South Africa and England and was involved in and exposed to a range of progressive issues such as Irish nationalism Boer nationalism socialism anti imperialism the co operative movement and the women s suffrage campaign He endured the poverty of a painter and sign writer s wages struggled to convert his fellow workers to socialism experienced an acrimonious and ultimately secret divorce in South Africa raised a daughter on his own dreamed of a better life in Canada and wrote a novel *The Ragged Trousered Philanthropists* was first published posthumously in 1914 The narrative provided a focus for his view of society and its imperial and capitalist structures it was a map that he hoped would guide a future working class to consciousness It was desperately hard to write particularly since he was labouring for fifty six hours a week at times and suffering from a serious illness likely tuberculosis The text covers some sixteen hundred handwritten folio pages Before he left for Liverpool in 1910 ostensibly to secure passages for him and his daughter to emigrate to Canada he left the manuscript with his daughter Kathleen She eventually sold it the maverick publisher Grant Richards for twenty five pounds Once published it proved to be a best seller both in its heavily abridged editions 1914 1918 and since 1955 in its full edition Much of this biography particularly Tressell s Irish South African and gendered experiences has been omitted or treated as incidental Readings of Tressell s life and text have centered on their English working class and socialist elements The late Fred Ball researched the first biography more than thirty years after Tressell s death using the only editions of the text available These were seriously edited and abridged by Jessie Pope for Grant Richards her preface maintained that the writer was a genuine working class man *The Ragged Trousered Philanthropists* was mostly seen as the work of a working class writer there was no reason to think otherwise Some recent scholarship disturbs the text s perceived neatness pointing out its elitism and middle class proclivities and some work re contextualizes Tressell s book placing it within modernist Irish South African and gendered frameworks The narrative the authors present is not out of step with the so called real world in fact it engages with popular reception and debates This revolutionary book is an edited collection of essays on Robert Tressell s *The Ragged Trousered Philanthropists* While two such books were published in the 1980s *The Robert Tressell Papers* 1982 and *The Robert Tressell Lectures* 1981 1988 1988 both largely with only a few brief exceptions rehearsed the dominant narrative of the text and author as vigorously and unproblematically working class masculine and English This volume will introduce readers to an array of voices and perspectives specifically those of women and international readers The book comprises work by academics a librarian and

the widow of Tressell s biographer Fred Ball The focus is on continuity and change in terms of how Tressell s text is read
