Civil War Battles of Macon, The Niels Eichhorn, PhD,2021 Macon was a cornerstone of the Confederacy s military industrial complex As a transportation hub the city supplied weapons to the Confederacy making it a target once the Union pushed into Georgia in 1864 In the course of the war s last year Macon faced three separate cavalry assaults The battles were small in the grand scheme but salient for the combatants and townspeople Once the war concluded it was from Macon that cavalry struck out to capture the fugitive Jefferson Davis allowing the city to witness one of the last chapters of the conflict Author Niels Eichhorn brings together the first comprehensive analysis of the military engagements and battles in Middle Georgia
