Countdown To Rapture:

Countdown to Rapture Salem Kirban,1980 *Countdown* Joseph Morris,2025-02-04 The Final Countdown Jesus Is Coming Sooner Than You Think The clock is ticking and the end of the age is closer than ever As the world hurtles toward its ultimate destiny the signs of Jesus return are exploding into view Believers everywhere are asking Is the Rapture imminent What are the stages of the Second Coming Has the final countdown already begun After Jesus appeared to Joseph Morris with a personal mandate to educate and equip the Church he delivers a bold and urgent wake up call to us all Get ready Jesus wants you to pick up your pace and accelerate doing the will of God But more than anything Jesus wants you prepared never scared He wants you to know how much He loves you and how excited He is to see you face to face There s only good news ahead for the Christian Drawing on over 35 years of prophetic insight Joe delivers the truth you need to navigate these final moments of human history with fearless confidence In this no holds barred guide you ll discover The timeline of the Rapture if you read the Bible you can know the time The glorious details of the Second Coming the granddaddy event of the universe where you return with Jesus riding a white horse The urgent call for you to fulfill your destiny before the final trumpet blares across the heavens Jesus is coming back soon and like the final act of a great movie the hero Jesus will arrive to save the day Every knee will bow before the King of kings in a public coronation Don t just watch from the sidelines get ready to join Him and spend eternity by His side **The Rapture 2028: America'S Countdown to Apocalypse!** David Netherton,2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist Gods will today 2 Peter 3 9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16 13 14 *The Countdown*

LAHAYE, JERRY B. JENKINS, **The Dead Rise First** Alton Ragan, 2017-07-09 In the small town of Jordan Oklahoma residents find themselves the victim of a shocking terrorist attack A society so completely dependent on technology for its security and commerce has suddenly been turned upside down Even worse than the uncertainty of their immediate safety is another problem that no one can explain People who have been dead for years are popping up all over town appearing and giving witness that the Rapture of the Church is eminent but for the lost the Great Tribulation Who will listen to their message and repent and who will refuse to believe their own eyes Meet Jack a pastor who is suddenly slapped in the face by what has happened and then baffled when he spots Sister Gregg a former member of his church The only trouble is the last time he saw the woman was at her own funeral The town begins to shake at these events and as a church turns to their leader Pastor Jack desperately searches for the answers he must give his congregation How much time remains for people to repent is anyone s guess for Jack and his flock it s a race to reach the lost The Dead Rise

First is a fast paced intriguing read for anyone interested in the Rapture This book brings something new to readers and is provoking discussion among scholars with this one question why do the dead rise first Although purely fiction the events are based on scriptural answers that unearth a new understanding concerning the rapture of the Church Does it reveal a mystery about how God will raise the dead in Christ as seen in 1 Thess 4 13 14 Will it be the same way Jesus was resurrected in Matthew 27 52 53 You decide Believers who Will be Raptured Daniel Cho,2022-02-15 An unequal rapture revelation that overpowers all other false theories on the rapture It will examine whether you will be raptured or left behind The revelation of the rapture released in this book will do nothing but have the readers overwhelmed Their hope for the Lord that has been dormant will rise again like a fire and it will be impossible for them to remain lukewarm any longer Origins John Manuel,2021-01-27 Origins Mankind s Forgotten History and His Story Revealed is a title with two meanings When you read the title And His Story Revealed the reader will automatically think that the story of mankind s forgotten history will be told to them and indeed it will What the reader will also come to realize is the book title has a double meaning The second meaning of His Story Revealed is the life story and meaning of the life of Christ In the chapter Who is Jesus Arthur John Manuel will explain who Jesus is and all the answers for the question why Jesus was He will explain in detail all the reasons why it will explain Mary and Joseph in detail and the lineage so the reader can understand exactly why Christ had to be born through the love union of these two people He will also explain the importance of the blood and the life sacrifice of Jesus Christ our high priest and savior As the reader continues on he will read about the creation periods on earth and of men This new method of explanation will agree with all the evidence in the world around us today and it will fit in the pieces to the puzzle of our forgotten history remnants of a once glorious past left behind as evidence of a forgotten history Author John Manuel will explain Genesis and the creation period in a new light that completely agrees with the evidence left behind and those forgotten ancient cultures The skeptic will definitely reconsider his skepticism after reading this new method of explanation This is where the title s first reading comes into play Mankind s Forgotten History This chapter will tell the story of mankind s forgotten history Have you ever wondered about evil spirits and the meaning of a spiritual world Well John Manual will explain where they come from and who evil and unclean spirits were and their goals He ll explain of the rules they must live by the power we have over them through Jesus and the Holy Spirit a short summary on how to do battle against them with the prayer of spiritual cleansing body mind and soul And after the reader will understand that spirits and mankind coexist in our physical world Ever wondered about angels The author explains these angelic race of beings who are the sons of God where they were created by God Note that Jesus is the only begotten Son of God This book will explain the difference in this chapter The reader will learn of the forgotten path of earth preflood and the role angels played against Satan and his forces of evil in mankind s forgotten history Have you ever wondered of an ancient world This book will explain logically who God is how he created us why we were created When you read about how the author explains why mankind is

missing the last steps of our own evolution because of greed you ll agree with the fact that mankind has not evolved and the past 8 000 years of technological advances does not mean we have An atheist will question his own belief And last author John Manuel will argue the fact that Jesus Christ is indeed the Messiah using father Abraham and his actions for sanctification examples I ll stop there If you want to know more you must first read this entire book To the readers from the author Hello my friend I just first want to say thank you for purchasing the book I want to encourage you to buy it for all who don t believe in God We all have loved ones we care about and we want them to enjoy eternity with our maker and our savior This book is written from above Believe me when I say this when I write I m only writing what I ve been shown and taught through visions and dreams Although I may be the author and my name is on this book God gets all the credit Remember always God worked and then he rested when he created earth and everything in it So we must first work to enter into his rest This life that we have is our only chance to work for him Once it is over that s it No work will be done ever I urge you work hard for God and win souls for Christ He died for all souls He deserves every one of them Work for him in this life invest in your eternal life so you can enjoy the splendor of your reward an eternal life with the heavenly trinity on a new earth forever and ever God bless you all My email address where they can find me on Facebook and YouTube as John Manuel with the email authorjohnmanuel gmail com and on Instagram authorjohnmanuel and Twitter AuthorJonManuel

“Not Afraid to Tell the Truth” Ken M. Schmidt,2011-07-22 This book was originally intended to be a 3 Volume set or Trilogy but has been shortened to a single volume and edited for publication as a single title Not afraid To Tell The Truth which could be subtitled Exposing the conspiracy of silence in the Last Days it is not a book about discipleship necessarily nor is it a book you could use as a guideline for counseling rather it is a book written with the intention of shedding light upon 13 contrasting themes running through the whole of Gods Word which the author believes have become confused by Western Christian wrong thinking preaching and practice in the last days of the Church age False teachers and heretical teachings have crept into the Church unawares bringing with it a form of captivity similar to the captivity of the nation Israel but with far graver consequences

The Rapture, the Antichrist, and the Tribulation Rick Renner,2025-09-02 You ve Heard of the Rapture But What Happens Next Questions about the Bible and God s timeline of events for human history abound as more people sense we are
