**Warra Warra Wai** Darren Rix, Craig Cormick, 2024-09-04 Shortlisted for the Queensland Literary Awards Work of State Significance and The University of Queensland Non Fiction Book Award Shortlisted for the 2025 Prime Minister s Literary Awards Australian History Winner of the 2025 NSW History Award Australian History Prize Winner of the 2025 Marion ACT Literary Award Non Fiction Winner of the First Nations History Award Canberra Critics Circle Awards 2024 Winner of the 2025 ACT Book of the Year Award For the first time the First Nations story of Cook s arrival and what blackfellas want everyone to know about the coming of Europeans Both 250 years late and extremely timely this is an account of what First Nations people saw and felt when James Cook navigated their shores in 1770 We know the European story from diaries journals and letters For the first

time this is the other side Who were the people watching the Endeavour sail by How did they understand their world and what sense did they make of this strange vision And what was the impact of these first encounters with Europeans The answers lie in tales passed down from 1770 and in truth telling of the often more brutal engagements that followed Darren Rix a Gunditjmarra GunaiKurnai man radio reporter and Archie Roach s nephew and his co author Craig Cormick travelled to all the places on the east coast that were renamed by Cook and listened to people s stories With their permission these stories have been woven together with the European accounts and placed in their deeper context the places Cook named already had names the places he discovered already had peoples and stories stretching back before time and although Cook sailed on the empire he represented impacted the people s lives and lands immeasurably in the years after Warra Warra Wai was the expression called to Cook and his crew when they tried to make landfall in Botany Bay It has long been interpreted as Go away but is perhaps more accurately translated as You are all dead spirits In adding the First Nations version of these first encounters to the story of Australian history this is a book that will sit on Australian shelves alongside Cook s Journals Dark Emu and The Fatal Shore as one of our foundational texts

Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
