study of contemporary American children s poetry Poetry s Playground considers children s poetry in relation to the wider  
scope of adult poetic discourse While the study of children s poetry has always had a place in the realm of children s  
literature scholars have not typically considered it in relation to the larger scope of contemporary poetry In this volume  
Joseph T Thomas Jr explores the playground of children s poetry within the world of contemporary adult poetic discourse  
bringing the complex social relations of play and games cliques and fashions and drama and humor in children s poetry to  
light for the first time Poetry s Playground considers children s poetry published in the United States from the mid twentieth  
century onward a time when many established adult poets began writing for young audiences Through the work of major  
figures like Robert Frost Gwendolyn Brooks Carl Sandburg Randall Jarrell Theodore Roethke Shel Silverstein and Jack  
Prelutsky Thomas explores children s poems within the critical and historical conversations surrounding adult texts arguing  
at the same time that children s poetry is an oft neglected but crucial part of the American poetic tradition Canonical issues  
are central to Poetry s Playground The volume begins by tracing Robert Frost s emergence as the United States official  
school poet exploring the political and aesthetic dimensions of his canonization and considering which other poets were  
pushed aside as a result The study also includes a look at eight major anthologies of children s poems in the United States  
offering a descriptive canon that will be invaluable to future scholarship Additionally Poetry s Playground addresses poetry  
actually written and performed by children exploring the connections between folk poetry produced both on playgrounds and  
in the classroom Poetry s Playground is a groundbreaking study that makes bold connections between children s and adult  
poetry This book will be of interest to poets scholars of poetry and children s literature as well as students and teachers of  
literary history cultural anthropology and contemporary poetry    **The Penitent** Edna Worthley Underwood,1922    **The**
