David Kynaston

Crewe Alexander F C 100 Greats:

Crewe Alexandra Football Club Harold Finch,1999 This book is part of the Images of Sport series which uses old photographs and archived images to show the history of various local sports in Great Britain England's Greatest Defender Alfie Potts Harmer,2019-08-15 Almost universally considered the greatest defender England has ever produced by those who saw him play Neil Franklin was a football superstar in the 40s and 50s whose name has never taken its rightful place amongst other football legends of our time Capped 27 times by England setting a record for consecutive England appearances Franklin sent shockwaves through the British game when he left Britain for Bogota in 1950 just months before England were set to make their World Cup debut in Brazil Whilst the national team proceeded to be humiliated by the United States in South America trying out ten inferior centre halves over the next four years and suffering two devastating defeats at the hands of the Hungarians football in England would never be the same again This meticulously researched and fascinating book gives Neil Franklin the place in sporting history that he deserves **Legendary Lionesses** Jean Williams,2024-01-06 This is the first academic history of the FA England women s national football team Based on unprecedented access to FA data it details the careers of the 227 women who debuted for England from 1972 to 2022 England won the UEFA Women s Euros in 2022 and Jean worked with Sarina Wiegman and the squad on the Legendary Lionesses from 1972 The Last Heroes Gary Bridson-Daley,2017-11-01 The Second World War is famed for being the conflict that changed the face of warfare and it is the last that changed the face of the world In addition to remembering those who passed away in those dark days of war a sincere debt of gratitude is owed to all those now in their twilight years who gave all that they had for King and Country In this new and revised third edition with additional material to celebrate the lives of D Day and Arnhem veterans Gary Bridson Daley presents 46 of over 150 interviews he conducted with veterans over recent years adding to the history books the words and the original poetry of those who fought and supported the war effort to ensure freedom peace and prosperity for generations to come From each corner of the British Isles and every armed service from Dam Buster George Johnny Johnson through to riveter Susan Jones heroes all **The British National Bibliography** Arthur James Wells,2000 Football governance Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee,2011-07-29 The report from the Commons Culture Media and Sport Committee says big changes need to be made to the way football is run in England to address financial instability and levels of debt in the game and to secure its future The committee says that crucially reform must be undertaken without impinging on English football s many strengths The Football Association FA as the national governing body of English football is the most appropriate agency to take the lead in addressing the weaknesses of English football but it needs urgent reform itself to carry out its responsibilities effectively and meet the future challenges of the game The Committee sets out 34 conclusions and recommendations including imposing a rigorous and consistent formal licensing model throughout professional English

football to promote sustainable forward looking business plans a strong fit and proper persons test consistently applied with a presumption against selling the ground unless it is in the club s interest amending the Financial Services and Markets Act 2000 to recognise the special nature of supporters trusts and help them overcome the significant legal and bureaucratic hurdles they face when raising funding that the FA should review expenditure at the grass roots with a particular emphasis on coaching education For oral and written evidence see Vol 2 ISBN 9780215561053 The Homing Pigeon, and National Homing Union Members' Gazette ,1926 *The Bicycling Times and Touring Gazette* ,1879 Modernity Britain David Kynaston,2014-09-11 Following Austerity Britain and Family Britain the third volume in David Kynaston s landmark social history of post war Britain Triumphant A historian of peerless sensitivity and curiosity about the lives of individuals Financial Times This superb history captures the birth pangs of modern Britain It is a part of Kynaston s huge achievement that such moments of insight and pleasure should accompany what has become a monumental history of our recent past The Times _____ David Kynaston s history of post war Britain has so far taken us from the radically reforming Labour governments of the late 1940s in Austerity Britain and through the growing prosperity of Family Britain s more placid 1950s Now Modernity Britain 1957 62 sees the coming of a new Zeitgeist as Kynaston gets up close to a turbulent era in which the speed of social change accelerated The late 1950s to early 1960s was an action packed often dramatic time in which the contours of modern Britain began to take shape These were the never had it so good years when the Carry On film series got going and films like Room at the Top and the first soaps like Coronation Street and Z Cars brought the working class to the centre of the national frame when CND galvanised the progressive middle class when youth emerged as a cultural force when the Notting Hill riots made race and immigration an inescapable reality and when meritocracy became the buzz word of the day In this period the traditional norms of morality were perceived as under serious threat Lady Chatterley s Lover freely on sale after the famous case and traditional working class culture was changing wakes weeks in decline the end of the maximum wage for footballers The greatest change though concerned urban redevelopment city centres were being yanked into the age of the motor car slum clearance was intensified and the skyline became studded with brutalist high rise blocks Some of this transformation was necessary but too much would destroy communities and leave a harsh fateful legacy This profoundly important story of the transformation of Britain as it arrived at the brink of a new world is brilliantly told through diaries letters newspapers and a rich haul of other sources and published in one magnificent paperback volume for the first time Live Stock Journal ,1913 **Sporting Mirror** ,1881 **English Mechanic and World of Science** ,1899 *The Sphere* ,1908 **The Feathered World** ,1925 **Slater's Post office directory of the city of Chester, and its suburbs** Slater Isaac,1896 **Mark Lane Express** ,1921 **Stock-keeper, and Fanciers Chronicle** ,1899 **Municipal Journal** ,1927 Alliance News ,1893 *English Mechanic and Mirror of Science and Art* ,1904
