**The Manners and Customs of the Police** Donald J. Black,1980      Cassell's Dictionary of Slang Jonathon Green,2005  
With its unparalleled coverage of English slang of all types from 18th century cant to contemporary gay slang and its uncluttered editorial apparatus Cassell's Dictionary of Slang was warmly received when its first edition appeared in 1998 Brilliant said Mark Lawson on BBC2's The Late Review This is a terrific piece of work learned entertaining funny stimulating said Jonathan Meades in The Evening Standard But now the world's best single volume dictionary of English slang is about to get even better Jonathon Green has spent the last seven years on a vast project to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible This has entailed trawling through more than 4000 books plus song lyrics TV and movie scripts and many newspapers and magazines for relevant material The research has thrown up some fascinating results      A Crime of Manners Rosemary Stevens,2011-01-05 Giles Vayne Duke of Winterton is reminded daily by his talking parrot to find a suitable bride Henrietta Lanford a Squire's daughter is not suitable But then Giles commits a crime of manners that can ruin Henrietta before her first ball Is it the duke's sense of duty or his growing passion that compels him to protect her First in the Cats of Mayfair series Regency Romance by Rosemary Stevens originally published by Fawcett Crest      **A History of Crime in England Illustrating the Changes of the Laws in the Progress of Civilisation Written from the Public Records and Other Contemporary Evidence** Luke Owen Pike,1876      A History of Crime in England, Illustrating the Changes of the Laws in the Progress of Civilisation: From the accession of Henry VII to the present time Luke Owen Pike,1876      Beccaria: 'On Crimes and Punishments' and Other Writings Cesare marchese di Beccaria,1995-04-13 This edition of Beccaria's On Crimes and Punishments and other writings presents an interpretation of his thought Drawing on Italian scholarship Richard Bellamy shows how Beccaria wove together the various political languages of the Enlightenment into a novel synthesis and argues that his political philosophy often regarded as no more than a precursor of Bentham's combines republican contractarian romantic and liberal as well as utilitarian themes The result is a complex theory of punishment that derives from a sophisticated analysis of the role of the state and the nature of human motivation in commercial society The translation used in this edition is based on the fifth Italian edition and provides English speaking readers with Beccaria's own order of his text for the first time A number of pieces from his writings on political economy and the history of civilisation which were not previously available in English are also included      **A History of Crime in England Illustrating the Changes of the Laws in the Progress of Civilisation** Luke Owen Pike,1876      A History of Crime in England: From the accession of Henry VII to the present time Luke Owen Pike,1876      The Washington Law Reporter ,1884      **The Criminal Law Magazine** ,1885 Containing original articles on timely topics full reports of important cases and a digest of all recent criminal cases American and English      Criminal Law Magazine ,1885      The Last Harvest John Burroughs,1922 A last
