Crime, Punishment and the Search for Order in Ireland Shane Kilcommins, 2004 *Crime, Punishment and Redemption* June Slee, 2014-10-01 the love of my life John Ward writing whilst incarcerated on Norfolk Island tells a story of thwarted love that he claims led him to a life of crime including theft sexual assault and more In telling the candid story of his downfall he exposes his own ruthlessness and lack of empathy This book using the diary as its base is fascinating on so many levels It is an insight into the criminal mind ably examined by author June Slee It is a glimpse into 19th century aristocratic life dress food pastimes and prejudices from a servant s perspective Ward was a groom to an officer gentleman And it is a unique record perhaps the only extant diary ever written during the Australian penal era whilst its convict writer was imprisoned Plus Ward records a particular moment in our history not only life aboard prison hulks which he describes in detail but also the timing of his arrival in Sydney when convicts were no longer being accepted he was sent straight to Norfolk Island where we get a fascinating insight into the rule of Captain Alexander Maconochie Moconochie believed in a system of improvement for convicts based on a marks system for good behaviour rather than humiliating punishment In this way Ward gained access to writing materials for his diary It s all in this book love history convicts crime and criminology Norfolk Island The author weaves the diary Ward s own words into her text seamlessly to tell a gripping story Illustrated with over 150 images including paintings photographs documents newspapers and drawings the book includes text box features that elucidate aspects of life at the time oyster bars and eating out disease smuggling county justice convict marriage convict class and society the end of transportation and more June Slee is an experienced writer and researcher lecturer and practitioner in the field of criminology particularly relating to the Australian convict era Slee was immediately drawn to Ward s story not just for its insight into 19th century crime and punishment but also for its outstanding literary style and rarity as a diary that was written while its author was still incarcerated Currently she is completing another book on convictism and has plans for two further books June currently lives in New Zealand **Crime and Punishment** Fyodor Dostoevsky, 2017-11-21 A celebrated new translation of Dostoevsky s masterpiece reveals the social problems facing our own society Nation Published to great acclaim and fierce controversy in 1866 Fyodor Dostoevsky s *Crime and Punishment* has left an indelible mark on global literature and on our modern world Declared a PBS Great American Read Michael Katz s sparkling new translation gives new life to the story of Raskolnikov an impoverished student who sees himself as extraordinary and therefore free to commit crimes even murder in a work that best embodies the existential dilemmas of man s instinctual will to power Embracing the complex linguistic blend inherent in modern literary Russian Katz revives the intensity Dostoevsky s first readers experienced and proves that *Crime and Punishment* still has the power to surprise and enthrall us Susan Reynolds With its searing and unique portrayal of the labyrinthine universe of nineteenth century St Petersburg this rare Dostoevsky translation William Mills Todd III Harvard will captivate lovers of world literature for years to come [On Crime, Punishment and Psychiatric](#)

Care Lennart Nordenfelt,1992 *Human Rights and the Criminal Justice System* Anthony Amatrudo,Leslie Blake,2014-09-15 We now live in a world which thinks through the legislative implications of criminal justice with one eye on human rights Human Rights and the Criminal Justice System provides comprehensive coverage of human rights as it relates to the contemporary criminal justice system As well as being a significant aspect of international governance and global justice Amatrudo and Blake argue here that human rights have also eclipsed the rhetoric of religion in contemporary moral discussion This book explores topics such as terrorism race and the rights of prisoners as well as existing legal structures court practices and the developing literature in Criminology Law and Political Science in order to critically review the relationship between the developing body of human rights theory and practice and the criminal justice system This book will be of considerable interest to those with academic concerns in this area as well as providing an accessible yet sophisticated resource for upper level undergraduate and postgraduate human rights courses **Crime and Punishment (Unabridged**
