Transformations of Policing David John Smith, Alistair Henry, 2007-01-01 Transformations of Policing returns to the central issues discussed in 1983's Police and People in London the largest and most detailed study of a police force and its relations with the public that has yet been undertaken in Britain It considers whether the main conclusions need to be revised in light of constant changes to the political legal managerial technological and social framework of policing

Plural Policing Trevor Jones, Tim Newburn, 2006-04-18 Policing is changing rapidly and radically An increasingly complex array of public private and municipal bodies as well as public police forces are engaged in the provision of regulation and security Consequently it is difficult to think of security provision primarily in terms of what the public police

do and so the terminology of fragmented or plural policing systems has become well established within criminology and police science Plural policing is now a central issue within criminology and police studies throughout the world and there is now a large and growing body of research and theory concerned with its extent nature and governance To date however this work has been dominated by Anglo American perspectives This volume takes a detailed comparative look at the development of plural policing and provides the most up to date work of reference for scholars in this field Edited by two of the world s leading authorities on policing and including individual contributions from internationally recognised experts in criminology and police studies this is the first ever volume to focus on plural policing internationally and to draw together empirical evidence on its developments in a formal comparative framework *Psychology and Law* Amina A Memon, Aldert Vrij, Ray Bull, 2003-10-31 *Psychology and Law* shows how psychological research and theory can be used in a legal context Written with advanced undergraduate students in mind it focuses upon the pre trial or investigative phase of the legal process Obtaining and assessing witness evidence is a key part of any criminal investigation Topics include witness accuracy and credibility covering issues such as assessment of witness credibility interviewing suspects and witnesses eyewitness testimony false beliefs and memory the role of experts and juries This second edition has been revised and updated to reflect the large amount of new research in the area making it the essential guide for all courses with a legal component Comment on the first edition This is an excellent appraisal of the psychology of evidence it provides thorough substantial and up to date accounts of modern developments Dennis Howitt Loughborough University UK Written by well known and respected authors Suitable as an introductory undergraduate text **Policing the Global South** Danielle Watson, Sara N. Amin, Wendell C. Wallace, Oluwagbenga (Michael) Akinlabi, Juan Carlos Ruiz-Vásquez, 2022-11-11 *Policing the Global South* provides scholarship which further transnationalises and democratises ideas about policing practices and philosophies highlighting renovations in approaches to policing studies and injecting innovative perspectives into the study of policing from scholars positioned on the periphery Criminological knowledge depolarisation underscores a conscious effort by scholars from the Global South to increase intellectual knowledge focused on developing context specific responses to issues not aligned to Northern ideological positions and specific to the non Northern context Such shifts draw attention to the expanse of spaces beyond Northern centres rife with challenges unlike any specific to those experienced or conceptualised by scholars from the Global North with an applied Northern criminological lens Applying a postcolonial lens to empirical knowledge from country specific cases in former colonies in Africa Asia the Caribbean the Pacific and Latin America this book examines how policing issues not aligned to Northern ideological positions and specific to non Northern contexts are addressed The primary purpose is to share innovations in the field of policing service provision threats to security crime responses justice and international trends developed in postcolonial developing country contexts Given the aim of the book and the contributors own research on issues of policing across the globe it discusses themes including but not limited to the

colonial legacies and their impact on policing how plural regulatory systems and partnerships are navigated by the police the linkages between access to justice community perceptions and police legitimacy innovations and challenges in organisational reform crime prevention and community partnerships and the expanding roles of police organisations in the Global South While each chapter presents a policing issue in a country within a specific part of the Global South the book highlights how important it is to frame responses based on contextual realities informed by an awareness of the past and present with a goal of informing the future Delivering a much needed introduction to those specialising in policing in developing countries this book is invaluable reading for academics and students of criminology criminal justice governance policy and IR as well as professionals in policing organizations across the globe
