Ahuruonye,2025-03-16 Get ready for a giggle fest my friends Imagine a world flipped on its head where babies arrive with wrinkles and wisdom not gurgles and goo That s my story I Esmeralda entered this world with a sigh not a wail my tiny hands already showing a lifetime of adventures My name Esmeralda Esme Everglade evokes images of an eccentric slightly gothic old lady trapped in a baby s body While other tots learned to crawl I reminisced about travelling and while they babbled I debated deep ideas I was you see born old But life that cheeky scamp had other plans forcing me into Growing Down and playing The Un Ageing Game From the day of my arrival life threw me from Old to Oops I felt like someone perpetually connected to The Reverse Ageing Machine to nowhere As my peers bloomed into childhood I began to shrink back My wisdom faded replaced by a delightful forgetfulness My knitting needles once a blur now dropped stitches like shooting stars and a cup of tea once a cherished ritual became a strange bitter puzzle Who knew unlearning to walk could be such a riot Indeed Wrinkles in Reverse The Girl Who Grew Younger is a hilariously heartwarming tale of my journey Picture this losing dentures detective skills going kaput and trying to squeeze through a catflap We ll explore forgetting library cards losing purses and a world where manners are optional We ll lament lost lipstick vanished dinner parties and fading memories But fear not Amidst the chaos laughter reigns Imagine a baby knitting a toddler at a posh party and rediscovering the world with fresh innocent eyes Now let s sprinkle in some silliness and wisdom Why did the nappy go to school To be a smarty pants that s the rule Why don t skeletons play bingo They haven t got the guts you know Why don t mountains attend school They always peak too early how uncool And for a touch of deeper thought To crawl is to know the ground below marvelling at the world from a perspective most had long forgotten Sometimes life s most meaningful journeys are those that take us back to where we began Growth must not always mean moving ahead Sometimes growth means slowing down looking back and finding beauty in the steps we ve already taken Wrinkles in Reverse is about embracing the unexpected finding joy in simple things and rediscovering childhood s wonders It s like a tale about a Reverse Rodeo who went From Wrinkles to Rattles it s a reminder that life s best detours lead to wonder So buckle up for a topsy turvy ride You won t believe your peepers

Confessions of a Serial Kisser Wendelin Van Draanen,2009-12-22 Does the perfect kiss exist This smart and funny modern romance from the author of Flipped explores the pleasures and perils of love Perfect for fans of Jenny Han s To All the Boys I ve Loved Before Evangeline Logan wants a kiss Not just any kiss a crimson kiss like the one in a romance novel

she s become obsessed with But the path to perfection is paved with many bad kisses the smash mouth the ear licker the misser the tentative tight lipper The phrase I don t kiss and tell means nothing to the boys in her school And worse someone starts writing her name and number on bathroom walls And worst of all the boy she s just kissed turns out to be her best friend s new crush Kissing turns out to be way more complicated than the romance novels would have you believe Evangeline s strong entertaining voice will pull plenty of readers who will root for their heroine as she begins to piece together a grown up life Booklist The pacing is near perfect readers realize just when Evangeline does that it is not a kiss she is really after In the end the playful title and premise are matched by tender and convincing storytelling Publishers Weekly
