Burden of Proof: Using Known Concepts to Reveal Eternal Truths Brandon Russell,2015-11-28 Where is the proof Why believe in something if there is no evidence Also why believe in something when there is evidence that runs contrary to a particular belief This is basic logic and a reason why most deny a deity Most who deny a deity argue there is no evidence Also they point to scientific evidence to validate their skepticism However what if there is evidence and evidence that is overwhelming Those who deny a deity have every right to demand evidence Yet what will they do when they are provided proof The Bible advocates a God who is sovereign If this is true everything points to his existence God is not hiding he wants to be known BURDEN OF PROOF Using Known Concepts to Reveal Eternal Truths was written to identify the evidence of God's existence The author answers forty thought provoking questions that highlight the eternal truths of Scripture Thus proving that the burden of proof does not lie with those who believe in God but with those who don't
