

Top Creative Thinking Skills

Analytical

Before we can think creatively about something, we must first understand it.

Planning skills

Once the creative solution is found, organisation comes back into the picture, helping to ensure that the set goal is achieved.

Problem solving

Finding the right solutions to a specific problem.

Communication

People will only appreciate our creative idea or solution if we can communicate it effectively.

Open-minded

Thinking creatively means putting aside any assumptions or prejudices we have and looking at things in a completely new way.
