Crete The Forerunner Of Greece

**Charles Henry HAWES (and (Harriet
Boyd)), Sir Arthur Evans**

Crete The Forerunner Of Greece:

Crete Charles Henry Hawes, Harriet Boyd Hawes, 1909

Crete Charles Henry Hawes, Harriet Boyd Hawes, 1911

CRETE the Forerunner of Greece Charles Hawes, Harriet Boyd Hawes, 2014-04-09 THE island of Crete known to the Venetians as Candia has lain for about three thousand years out of the main line of traffic In fact when the prehistoric fleets of Crete the first maritime power of the Mediterranean gave place to Phoenician craft the island ceased at once to be the gateway for commerce between Egypt and the European ports of the Adriatic the Gulf of Salonica and the Black Sea To day the stream of traffic hurries east and west and the impatient traveller bound for the Indies Cathay or the antipodes is lucky if he catches a distant glimpse of the snow peaks of Crete It seems strange that so beautiful an island the scene of successive invasions in the past should have escaped the inroad of the ubiquitous nineteenth century tourist The reasons for this were several the presence of alien Turkish rulers the frequent revolutions of their subjects the insufficiency and uncertainty of connections and the lack of decent accommodations That the island is becoming known at all is due in the main to archaeologists and the Cretan Question Even to classical students twenty nay ten years ago Crete was scarcely more than a land of legendary heroes and rationalized myths It is true that the first reported aeronautical display was made by a youth of Cretan parentage but in the absence of authenticated records of the time and circumstances of his flight scholars were skeptical of his performance And yet within less than ten short years we are faced by a revelation hardly more credible than this story we are asked by archaeologists to carry ourselves back from A D 1910 to 1910 B C and witness a highly artistic people with palaces and treasures and letters of whose existence we had not dreamed And observe we have leapt over the heads of the Greeks we have excelled even Icarus in audacity We have committed an affront in the eyes of some conservative Greek scholars who still cling to the miraculous creation of Greek art The theme is a fresh one because nothing was known of the subject before 1900 it is important because the Golden Age of Crete was the forerunner of the Golden Age of Greece and hence of all our western culture The connection between Minoan and Hellenic civilization is vital not one of locality alone as is the tie between the prehistoric and the historic of America but one of relationship Egypt may have been foster mother to classical Greece but the mother never forgotten by her child was Crete Before Zeus was the mother who bore him in that mysterious cave of Dicte The revelation of a pre Hellenic culture in the Aegean area is due in the first place to Dr Schliemann whose great discoveries on the site of Troy begun in 1871 led up to the revelations in Crete from 1900 onwards It seemed fitting to the Muse of History that a man whose own life was a romance should open to us the door into one of her sealed chambers of the past Let us in briefest fashion glance at his story Henry Schliemann was born in the little town of Neu Buckow in Mecklenburg Schwerin in the year 1822 He grew up in his father s parish of Ankershazen where his natural disposition for the mysterious and the marvellous was stimulated by the wonders of the locality in which he lived Our garden house he writes was said to be haunted by the ghost of my father s predecessor Pastor von Russdorf and just behind our

garden was a pond called das Silbersch lchen out of which a maiden was believed to rise each midnight holding a silver bowl There was also in the village a small hill surrounded by a ditch probably a prehistoric burial place or so called H nengrab in which as the legend ran a robber knight in times of old had buried his beloved child in a golden cradle Vast treasures were also said to have been buried close to the ruins of a round tower in the garden of the proprietor of the village **Crete, the Forerunner of Greece... - Primary Source Edition** Charles Henry Hawes,Harriet Boyd Hawes,2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification Crete The Forerunner Of Greece Harper s Library Of Living Thought Charles Henry Hawes Harriet Boyd Hawes Harper Ancient Greece Civilization Greek Crete Greece Greece History Ancient Greece History Europe Greece *Crete* Charles Henry Hawes,2012-08 **Crete the Forerunner of Greece (Classic Reprint)** Charles Henry Hawes,2018-02-11 Excerpt from Crete the Forerunner of Greece Under such guidance the reader may safely trust himself to obtain an illuminating glimpse of this old Minoan world in its various aspects About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Crete** HardPress,Hawes Charles Henry 1867-1943,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Crete, the Forerunner of Greece ... With a Preface by Arthur J. Evans ... Illustrated with a Map and Plans** Charles Henry HAWES (and (Harriet Boyd)),Sir Arthur Evans,1909 **Crete: the forerunner of Greece, by C.H. Hawes and H. B. Hawes, with a pref** Charles Henry Hawes, [A History of Crete](#) Chris Moorey,2020-08-15 Known by the Greeks as Megal nisos or the Great Island the island of Crete has a long and varied history Steeped in historical and cultural heritage Crete is the most visited of the Greek islands It has also been of

paramount strategic importance for thousands of years thanks to its location close to the junction of three continents and at the heart of the eastern Mediterranean Sea For much of its long history the island has been ruled by foreign invaders Under the rule of the Mycenaeans Dorians Romans Byzantines Arabs Venetians Ottoman Turks and briefly the Third Reich Cretans who are fierce lovers of freedom have adapted to living with their conquerors and to the influence of foreign rule on their culture In a dazzling contrast to these three thousand years of domination we see two periods of the island s independence the vibrant apogee of the Minoan civilization and the brief period of autonomy before union with Greece at the beginning of the twentieth century To guide us through this spectacular history Chris Moorey who has lived in Crete for over twenty years provides an engaging and lively account of the island spanning from the Stone Age to the present day A History of Crete steps in to fill a gap in scholarship on this fascinating island providing the first complete history of Crete to be published for over twenty years and the first ever that is written with a wide readership in mind Class Room Manual for Ancient History: Greece and the East John G. Iliff,1917 **Readings in Ancient History: Greece and the East** William Stearns Davis,1912 Earliest man, the Orient, Greece and Rome, by J. H. Breasted.
