The Devil and the Deep Sea Rudyard Kipling,1895      **The Devil Or The Deep Sea** Neev Penkar,2021-05-12 Is love only about kissing one s partner and holding his or her hand Is it only about saying I Love You a million times a day Or is it only about calling the special other cute names I think it is not Many people think it is not I think love is all about making your special one happy and giving him or her the chance of achieving the impossible It is to help him or her get to the level they need to be in order to succeed then enjoying the success together It simply means sacrificing your life in order to make your partner s easier and better The only catch in this wonderful formula is that this sacrifice needs to be both ways and a relationship where only one sacrifices while the other doesn t is not appropriate at least in my eyes The characters in this story face a decision in their lives which no one should ever have to take Literally the Devil or the Deep Sea Read on to find out which way they choose to go and what consequences they face      The devil and the deep sea Rhoda Broughton,1910
