two brothers who stood between him and a life of ease The devil doesn't come to you when you're strong he comes to you when you're weak or upset That night the devil came to William and offered to arrange two accidents for his brothers so he would become heir William jumped at the chance Two accidents later he was heir to his father's land However when you let the devil into your life he takes over When William was seventeen his father was taken ill and a pillow across the sick man's face meant William inherited his father's money Life was good for William and he denied himself nothing All the pleasures of the flesh were his and he crushed anyone who stood between him and profit However money and power meant nothing to him when three days before his forty-fifth birthday the devil sent a demon to tell him he was claiming his prize William in fear rushed to the church in the hope the priest might save him At midnight on the twelfth of December 1689 the fight for his soul with the devil begins Will it be Heaven or Hell that wins the day
