Devilish Devices:

Spiritual Warfare & devilish devices Rev. Darrin Lauder, 2008-04-24 There is a great need for combating ignorance in the area of understanding the evil forces that are at work in our world This author seeks to address and highlight some of the ways the devil and his minions use to further anarchy and undermine God's order through devilish devices The Lord God who made the heavens and the earth and whose providence governs His creation enables His servants through insight and experience to record and pass on what they have found to be true Such revelation is intended to benefit those who believe and receive the truth as it is in God's sovereign rule and reign This little book combines personal experience and biblical reflection to present scenarios and situations that the enemy of mankind's soul uses to further his destructive ways Spiritual warfare impacts all on planet earth and yet relatively few grasp this Even fewer battle effectively in this crucial aspect of our fallen world This book endeavors to present truth that will help guard and guide those who believe such evil exists It further seeks to bridge the category of spiritual warfare with other central tenets and important doctrines of the Christian faith as recorded in the Holy Bible
