Jane Yolen Carolyn Carpan,2013-11 The author of Owl Moon Devil's Arithmetic and How Do Dinosaur's Say Good Night Jane Yolen has been called the Hans Christian Andersen of America and the Aesop of the 20th century In Jane Yolen fans of this award winning **The Devil's Arithmetic** Jane Yolen,1990-01 Hannah resents the traditions of her Jewish heritage until time travel places her in the middle of a small Jewish village in Nazi occupied Poland *The Devil's Arithmetic - Activity Pack* Jane Yolen,2010-01-01 Fulfill state mandated objectives and national guidelines AND spark student learning with Prestwick Activity Packs The clear cut directions and valuable payoffs add up to classroom time well spent **The Devil's Arithmetic - Downloadable Activity Pack** Jane Yolen,2010-01-01 Fulfill state mandated objectives and national guidelines AND spark student learning with Prestwick Activity Packs The clear cut directions and valuable payoffs add up to classroom time well spent

The Fantastic in Holocaust Literature and Film Judith B. Kerman,John Edgar Browning,2014-11-18 When reality becomes fantastic what literary effects will render it credible or comprehensible To respond meaningfully to the surreality of the Holocaust writers

must produce works of moral and emotional complexity One way they have achieved this is through elements of fantasy Covering a range of theoretical perspectives this collection of essays explores the use of fantastic story telling in Holocaust literature and film Writers such as Jane Yolen and Art Spiegelman are discussed as well as the sci fi television series *V* 1983 Stephen King s novella *Apt Pupil* 1982 Guillermo del Toro s *Pan s Labyrinth* 2006 and Martin Scorsese s dark thriller *Shutter Island* 2010 *Projecting the Holocaust Into the Present* Lawrence Baron,2005 Most Holocaust scholars and survivors contend that the event was so catastrophic and unprecedented that it defies authentic representation in feature films Yet it is precisely the extremity of the Final Solution and the issues it raised that have fueled the cinematic imagination since the end of World War II Recognizing that movies reach a greater audience than eyewitness historical or literary accounts Lawrence Baron argues that they mirror changing public perceptions of the Holocaust over time and place After tracing the evolution of the most commonly employed genres and themes in earlier Holocaust motion pictures he focuses on how films from the 1990s made the Holocaust relevant for contemporary audiences While genres like biographical films and love stories about doomed Jewish Gentile couples remained popular they now cast Jews or non Jewish victims like homosexuals in lead roles more often than was the case in the past Baron attributes the recent proliferation of Holocaust comedies and children s movies to the search for more figurative and age appropriate genres for conveying the significance of the Holocaust to generations born after it happened He contends that thematic shifts to stories about neo Nazis rescuers survivors and their children constitute an expression of the continuing impact the Holocaust exerts on the present The book concludes with a survey of recent films like *Nowhere in Africa* and *The Pianist* *Literary Cultures and Twentieth-Century Childhoods* Rachel Conrad,L. Brown Kennedy,2020-09-12 This collection of essays offers innovative methodological and disciplinary approaches to the intersection of Anglophone literary cultures with children and childhoods across the twentieth century In two acts of re centering the volume focuses both on the multiplicity of childhoods and literary cultures and on child agency Looking at classic texts for young audiences and at less widely read and unpublished material across genres including poetry fiction historical fiction or biography picturebooks and children s television essays foreground the representation of child voices and subjectivities within texts explore challenges to received notions of childhood and emphasize the role of child oriented texts in larger cultural and political projects Chapters frame themes of spectacle self and specularity across the twentieth century question tropes of childhood explore identity and displacement in narrating history and culture and elevate children as makers of literary culture A major intent of the volume is to approach literary culture not just as produced by adults for consumption by children but also as co created by young people through their actions as speakers artists readers and writers Munsey's Magazine for ... ,1915 A System of Rhetoric Charles William Bardeen,1884 **The Theatrical 'world' of 1893-1897** William Archer,1896 *Munsey's Magazine* ,1915 **The Theatrical 'world'**.
