Devils Jackpot:

Red Devil Daniel James Franklin,2012-02 Benjamin Tanner has lost it all His wife is sleeping around he is newly unemployed and worst of all he just lost his daughter to the great beyond He has no purpose and nothing to live for or so the voices tell him The Red Devils hide the pain but the pills are quickly turning against him Voices chant of his demise They re telling him to use the gun in his hand and end it all Ben wanders the night in search for answers while the Red Devils burn his world into a twisted fantasy of good and evil As the night progresses the Red Devils release their poison and Ben s mind swells with pain and anger The revolver in his hand pulses with a wicked energy By the end of the darkness he may just use the gun on himself At least it would make the voices stop it would make the pain stop too How had it come to this Why had he become the victim of so many pointless misfortunes But Tanner is not alone He is being chased by a gang of dark and vicious characters who wish him harm but there are others those who mean him well They stand beside him and battle for his broken soul before the Red Devil s take over and it is too late Follow Benjamin Tanner as he desperately searches for meaning in the emptiness and takes a final stand against his pain The Devil's Right Hand J.D.
