the Maasai Mara The problem in Britain is not a lack of space It is that our precious space is uniquely wasted not only for wildlife but for people s jobs and rural futures too Rebirthing maps out how we might finally turn things around rewilding our national parks restoring natural ecosystems and allowing our wildlife a far richer future In doing so an entirely new sector of rural jobs would be created finally bringing Britain s dying rural landscapes and failing economies back to life **Daily Discoveries for AUGUST (ENHANCED eBook)** Elizabeth Cole Midgley,2005-03-01 Every day in your classroom will be a special day when you use the creative ideas in this book Like the other excellent books in this series a reason to celebrate every day in the month is included with fun activity ideas to be plugged into your regular curriculum language arts social studies writing math science and health music and drama physical fitness art etc Special days in August include Friendship Day This Is Your Life Day International Left Handers Day Desert Day and Career Day just to name a few Your students will look forward to every day of the school year when you make it a constant celebration And they ll learn while they have fun Included are fun patterns for writing assignments and art projects as well as lists of correlated books recipes reproducibles and bulletin board ideas **The Kids' Natural History Book** Judy Press,2000 Arts crafts and nature activities explore various elements of the natural world including mountains ocean life plant evolution insects dinosaurs and ancient man
