Routledge Handbook of Sport and Politics Alan Bairner, John Kelly, Jung Woo Lee, 2016-10-04 Sport is frequently considered to be an aspect of popular culture that is or should be untainted by the political. However, there is a broad consensus among academics that sport is often at the heart of the political and the political is often central to sport. From the 1936 Olympic Games in Nazi Germany to the civil unrest that preceded the 2014 World Cup in Brazil, sport and politics have remained symbiotic bedfellows. The *Routledge Handbook of Sport and Politics* goes further than any other book in surveying the complex embedded relationships between sport and politics. With sections addressing ideologies, nation and statehood, corporate politics, political activism, social justice, and the politics of sports events, it introduces the conceptual foundations that underpin our understanding of the sport-politics nexus and examines emergent issues in this field of study. Including in-depth case studies from North America, South America, Europe, the Middle East, Africa, and Asia, this is an essential reference for anybody with an interest in the social scientific study of sport.

British Further Education A. J. Peters, 2014-05-16 *British Further Education: A Critical Textbook* provides a coherent account of the system of Further Education in Great Britain, which is defined as the public provision for the education of persons who have left school other than at universities, colleges of education, or establishments run by the armed services. This book discusses the aims of the national system of Further Education, how Further Education is provided, education for industrial skill, and part-time day education for all under 18 years of age. The topics on youth service, Further Education for the disabled and handicapped, and commonwealth relations of British Further Education are also elaborated in this publication. This textbook is beneficial to students and researchers conducting work on the expansion of education in Great Britain.
