

“While they were eating, Jesus took bread, blessed it, broke it, and gave it to them, and said, ‘Take; this is my body.’ He took a cup, gave thanks, and gave it to them, and they all drank from it. He said to them, ‘This is my blood of the covenant, which is poured out for many. I assure you that I won’t drink wine again until that day when I drink it in a new way in God’s kingdom.’”

**Communion Thoughts** Stephen Greenleaf BULFINCH,1852      **Clxi Inner Mountain Thoughts** Byron Gaskins,2018-12-01 This book is more than just a collection of random thoughts It is the feelings behind the thoughts bringing light to these pages It is more of a coming to reckon with one s personal growth and what that means in terms of shaping our objective and subjective reality CLXI Inner Mountain Thoughts reveals dynamic methods and insights from exploring the inward landscape Maybe as challenging as when I had first lifted a 1964 Buick Wildcat with only four people using two fingers each Mind over matter is a huge demonstration It is my desire that each moment of life becomes better with each inner mountain you climb Live life from the inside out till the outer life and the inward sanctuary become one as so soulfully described in Howard Thurman s Meditations of the Heart      **Christian Thought** ,1919      *The Hidden Life* Adolph Saphir,1877 Adolph Saphir s classic meditation on chapter four verse eight of the Book of James is treasured for its poignant spiritual assessment of the New Testament Draw near to God and he will draw near to you is the message at the heart of The Hidden Life For the author these words summarize most perfectly the exactness of God s message through the New Testament With this as his basis Adolph Saphir proceeds to discuss how to live with the Holy Trinity in mind Yet his contemplations are rich in their variety he visits such topics as Eastern mysticism found in religions of India and Islam the discussions between God and Biblical figures such as Nicodemus and the message brought by Christ to humankind The meditations herein are supported by references to chapters of the New Testament together with a variety of quotations from spiritual authors of antiquity and early modern times Though his inquiry is winding with touches of eclecticism Saphir never loses sight of the objective growing closer to the spiritual essence of the Lord and Jesus Christ The Saphir family converted from Judaism to Christianity when Adolph was a child Intellectually apt Adolph gained a Master s degree from Glasgow University and went on to serve as a minister and missionary of some renown in the 19th century Glasgow University made him an honorary Doctor of Divinity in 1878      Echoes of holy thoughts; private meditations before a first communion Echoes,1872      **At the Lord's Table** Howard Crosby,1894      Communion Thoughts (Classic Reprint) Stephen Greenleaf Bulfinch,2015-07-18 Excerpt from Communion Thoughts There are many in our congregations who are withheld from participating in the communion by causes which a fair consideration of the subject would be likely to remove There are others probably who unite in the ordinance from a sense of duty but to whom it is not as interesting and improving as it ought to be through the difficulty of directing the current of the thoughts and developing the religious feelings This little volume is an attempt to meet in some humble degree the spiritual wants of these two classes It is composed of materials in part written for the purpose and in part prepared for the pulpit in the course of the author s ministry A few pieces in verse are inserted none of which have before been published About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important
