Parliament,1906 *The Last Leonardo* Ben Lewis,2019-06-25 An epic quest exposes hidden truths about Leonardo da Vinci s Salvator Mundi the recently discovered masterpiece that sold for 450 million and might not be the real thing In 2017 Leonardo da Vinci s small oil painting the Salvator Mundi was sold at auction In the words of its discoverer the image of Christ as savior of the world is the rarest thing on the planet Its 450 million sale price also makes it the world s most expensive painting For two centuries art dealers had searched in vain for the Holy Grail of art history a portrait of Christ as the Salvator Mundi by Leonardo da Vinci Many similar paintings of greatly varying quality had been executed by Leonardo s assistants in the early sixteenth century But where was the original by the master himself In November 2017 Christie s auction house announced they had it But did they The Last Leonardo tells a thrilling tale of a spellbinding icon invested with the power to make or break the reputations of scholars billionaires kings and sheikhs Ben Lewis takes us to Leonardo s studio in Renaissance Italy to the court of Charles I and the English Civil War to Amsterdam Moscow and New Orleans to the galleries salerooms and restorer s workshop as the painting slowly painstakingly emerged from obscurity The vicissitudes of the highly secretive art market are charted across six centuries It is a twisting tale of geniuses and oligarchs double crossings and disappearances in which we re never quite certain what to believe Above all it is an adventure story about the search for lost treasure and a quest for the truth Praise

for The Last Leonardo The story of the world s most expensive painting is narrated with great gusto and formidably researched detail in Ben Lewis s book Lewis s probings of the Salvator s backstory raise questions about its historical status and visibility and these lead in turn to the fundamental question of whether the painting is really an autograph work by Leonardo Charles Nicholl The Guardian As the art historian and critic Ben Lewis shows in his forensically detailed and gripping investigation into the history discovery and sales of the painting establishing the truth is like nailing down jelly Michael Prodger The Sunday Times **Commonwealth Journal of Accountancy** ,1927
