Community Of Memory:

Community Memory Project Records ,1964 The Community Memory records are made up of material from 1964 to 2000 with the bulk from 1974 to 1991 that document the development and implementation of the first computer based public bulletin board Community Memory CM which was created and operated by a cooperative nonprofit entity called the Community Memory Project based in Berkeley Calif CM specific material includes administrative records promotional material discussion board printouts usage statistics designs and specifications manuals and training records Also included are materials collected but not created by CM including reports and essays computing manuals books conference and workshop material and articles and newsletters The majority of the non CM material reflects the sociopolitical ethos of CM focusing on social issues and technology

Knowledge and Communities Eric Lesser,Michael Fontaine,Jason Slusher,2009-11-03 Knowledge and Communities is the first book dedicated to a major new knowledge management topic Communities of Practice are cross organizational groups of people sharing knowledge solving common problems and exchanging insights and frustrations Knowledge and Communities a collection of authoritative articles describes the dynamics of these groups and explains how they enable organizational knowledge to be creating shared and applied The book teaches how organizations can empower both traditional and on line communities and make them a cornerstone of a general knowledge management strategy Readers will learn how communities can help unify an organization and its external stakeholders such as customers and suppliers and how they can critically support an e commerce strategy Knowledge and Communities will help readers understand a primary vehicle for building an organization s social capital and competitive advantage

Space, Gender, and Memory in Middle English Romance Jan Shaw,2016-08-29 This book offers a much needed consideration of Melusine within medieval and contemporary theories of space memory and gender The Middle English Melusine offers a particularly rich source for such a study as it presents the story of a powerful fairy human woman who desires a full human life and death within a literary tradition that is more friendly to women s agency than its continental counterparts After establishing a textual habitus of wonder Jan Shaw explores the tale in relation to a range of Middle English traditions including love and marriage the spatial practices of women the operation of individual and collective memory and the legacies of patrimony Melusine emerges as a complex figure representing a multifaceted feminine subject that furthers our understanding of Middle English women s sense of self in the world
