## **Creative Preaching And Oral Writing:**

**Creative Preaching and Oral Writing** Carl Hoefler, 1978 *Creative Preaching and Oral Writing* begins with a definition of preaching then goes into a discussion of the creative importance of attitude toward the preaching task toward the content toward self and toward the listeners Skillfully comparing the structure of the sermon to the structure of the bumble bee Richard Hoefler says A good speech is like a bumble bee It possesses five basic parts each one playing a vital formation in the total process of the flight of the bumble bee a head a body a stinger legs and wings They enable both the bumble bee and the speech to get off the ground and into their work After thorough discussion of the structure of the sermon the author goes into detailed explanation of the use of the oral style of writing sermons The illustrations and examples will enable student or the seasoned pastor to dramatically improve his or her preaching effectiveness Richard Carl Hoefler Professor of Preaching and Worship and Dean of Chapel in the Lutheran Seminary Columbia South Carolina is a graduate of Wittenberg University and the Hamma School of Theology Springfield Ohio He received a Master s degree from Princeton University and a Doctor of Divinity degree from Roanoke College in Salem Virginia Previously Richard Carl Hoefler was pastor of St John s Lutheran Church Springfield Ohio as well as instructor in Wittenberg University and Sinclair College Dayton Ohio Dr Hoefler says that his greaest accomplishment comes when a student says to him You opened up the meaning of the gospel for me I had never heard it before

**Creative Preaching and Oral Writing** Richard Carl Hoefler, 1995 *Handbook of Contemporary Preaching* Dr. Michael Duduit, 1993-03-01 Contributors included Calvin Miller Joel Gregory Stuart Briscoe James Cox Elizabeth Achtemeier Thomas Long James Earl Massey and many more [Manual on Preaching](#) Milton Crum, 1988

**Transformational Preaching** David M. Brown, 2003-02 *Transformational Preaching Theory and practice* is a comprehensive textbook for the beginning student of preaching the graduate student in pulpit discourse or the seasoned preacher Seeking to reclaim the pulpit for biblical preaching the book counteracts the popular teaching approach that is common today and argues that preaching must be persuasive rather than informative that the preacher is central to the act of preaching and that through the preaching event both preacher and listener together fashion the message and its meaning Both theoretical and highly practical the book offers a challenging look at all aspects of the preaching ministry It contextualizes preaching in pastoral ministry and congregational worship but most significantly argues that the practice of preaching must be informed and driven by theory As such the book draws from a wide perspective of disciplines including biblical theology classical rhetoric contemporary human communication public discourse persuasion linguistics performance and orality The book s wealth of practical guidelines for every step of sermon development encourages students to apply general principles within their own contexts of ministry

*Preaching* Jason C. Meyer, 2013 The sermon is under attack This comprehensive biblical theology of preaching examines what it is how to do it and why it s so important exploring the concept s canonical development and relevance for key doctrines

**Graceful Speech** Lucy Lind Hogan, 2006-01-01 In this

introductory text Lucy Lind Hogan helps the reader understand the theological task of becoming a preacher the craft of writing the sermon and the importance of communicating the gospel in the present world In doing so she creates a book that is more holistic than any other homiletics text currently on the market Hogan begins with a theological rationale for preaching which serves as a basis for understanding the identity of the preacher She then explores the context for preaching showing how to interpret a scriptural text design a sermon and use illustrations and examples She also discusses preaching for special occasions the use of different technologies in preaching and the importance of delivery This book includes questions for reflection

Laura R. Dejmek,2014-08-19 Laypersons receiving a divine call to preach in the Roman Catholic Church may feel caught between a rock and a hard place both figuratively and ecclesiastically They may feel constrained between the Rock of Peter and the hard place of resistance to the preaching gift they believe they have and their desire to share it At first glance the Roman Catholic Church with its two millennia of Sacred Tradition seemingly offers little that favors the inclusion of lay preachers In addition many lay preachers may experience the bias of clergy and assembly members who unconsciously presume there is no role for laity to preach within the Roman Catholic Church Preaching does not occur solely within liturgical settings or only via pulpit preachers All Dominicans as members of the Order of Preachers are called to embody the Sacra Praedicatio the Sacred Preaching In fact canon law does permit laity to preach in certain liturgical settings Setting the World on Fire details one Roman Catholic woman s experience of her own call to preach the grace and gifts brought to both the preacher and the assembly as well as her desire to help all Dominicans and indeed all Christians embrace their rightful role as preachers

*The Leadership of Worship* H. Grady Hardin,1980 In this practical and enlightening commentary Grady Hardin provides a detailed explanation of the how to s of leading a worship service Every aspect of worship is taken into consideration those who plan the service what is done props used clothes worn and how time and space is utilized Although the why of worship are much more significant than the how a carefully planned service is of primary importance in leading participants to experience Christ in the fullest sense Any service of worship says Hardin is an opportunity for Christians to give thanks for life up until now and hear the Word and respond to it actually in faith and joy In order to provide this opportunity worship leaders must make a continuous effort to keep the service from becoming so mechanical that all vestiges of spirituality disappear The workable suggestions Hardin proposes drawn from his many years of experience conform easily to the worship

services of most Protestant denominations This is a timely work that deals specifically with many questions worship leaders today find themselves asking    **Subject Guide to Books in Print** ,1993    *Proclaim the Word!* Ernest Eugene Hall,1985
