Revelation Craig S. Keener,2009-09-13 The NIV Application

Commentary helps you communicate and apply biblical text effectively in today's context. What can we know about the book of Revelation? What should we make of its visions of apocalyptic horsemen, horns with faces, flying angels, and fantastic beasts? Most important, what meaning does it hold for us here and now, and how can we apply it to our lives? Craig S. Keener shares perspectives on Revelation and helps us strengthen our hope in the future while living out our faith wisely in the present. To bring the ancient messages of the Bible into today's context, each passage is treated in three sections: Original Meaning, Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context; Bridging Contexts, A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible; Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.
