## American Language No 1:

**Proceedings, American Philosophical Society (vol. 123, No. 1, 1979) , An American Language** Rosina Lozano, 2018-04-24 This is the most comprehensive book I've ever read about the use of Spanish in the U S Incredible research Read it to understand our country Spanish is indeed an American language Jorge Ramos An American Language is a tour de force that revolutionizes our understanding of U S history It reveals the origins of Spanish as a language binding residents of the Southwest to the politics and culture of an expanding nation in the 1840s As the West increasingly integrated into the United States over the following century struggles over power identity and citizenship transformed the place of the Spanish language in the nation An American Language is a history that reimagines what it means to be an American with profound implications for our own time Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ...
