The Secondary SLP Roadmap Hallie Sherman, 2025-10-31 Essential guide for Grade 4-12 SLPs to reduce prep work and help students crush their goals *The Secondary SLP Roadmap: Motivating Students to Crush their Speech and Language Goals* is a unique resource for speech language pathologists working with secondary students who are often harder to motivate and more aware that learning is difficult for them. Based on author Hallie Sherman's 16 years of SLP experience and her extensive professional development training career, this book is filled with stories and practical ideas, tips, and tricks that you can use right away to help students learn more effectively while bringing prep work down to one hour each week. Broken down into three phases to allow for modular learning, this book shows readers how to target a variety of goals without spreading resources too thin. Work with mixed groups in a way that all students get the attention and assistance they need. Teach skills differently than how they are already being addressed in the classroom. Build rapport and a safe environment in which students feel comfortable taking risks. *The Secondary SLP Roadmap* provides readers with an essential framework to go from being uncertain and overwhelmed to having their speech students crushing their goals and making massive progress.
