Upon Further Consideration Cathy J. Drummond,2024-02-27 This book offers a unique perspective on the history of the African American people without being offensive to others and offers this history from the perspective of being an African American living here in the United States of America The book was written from the perspective of its author who was born in the late 50s experienced adolescence from the late 60s to the early 70s entered adulthood in the middle 70s which has given the author of this book the entire spectrum of life here in America pre integration segregation as well as living in the post integration era The struggles of African Americans were truly real and this book offers a concise and rather limited overview of African American history Nevertheless the book offers pertinent and timely information still very much needed today Being biblically inspired as well this book contains both scripture and scriptural commentaries Having the influence of the author s faith intertwined this is a no holds barred reading In addition the book contains records of the likes of historical violence filled voter suppression and the groups who initiated such violence against the African American voter along with the movers and shakers of political empowerment for African Americans throughout this still young history of African American in this country The book contains historical essays on lynching along with the achievements of African Americans as well and despite all the roadblocks that have been put in from of them African American continues to thrive Finally the book hopes and serves to motivate African Americans and others in an attempt for those to believe in those better days for themselves and others as well here living in the United States of America Considering God Craig A. Staples,1998

Consider This on This Day Robin K. Johnson, 2016-12-22 We are in a society that is constantly on the move We want what we want and we want it right now without any exceptions The first thing we should grab in the beginning of our days is a word from the Lord The desire of most believers is to have time set apart from the hustle and bustle of the day Consider This on This Day will allow you to take the first few moments of your morning reading a text and then discover new applications for overcoming the stresses of the daily grind All this will take is for you to test one week of the Bible lessons contained within to find new avenues to face those giants in your life Try it and leave with a renewed mind

How Uk Should Be James Nicholls, 2020-12-10 This is a book which holds a very large amount of my ideological beliefs which form a new ideology quite unlike any other before it I dream of a better world a healthier world A world where people are safe and all products which poison the minds and lead to human destruction don't exist A world where animal species are never driven to extinction and co exist with people rather well where many natural areas of the world remain untouched unpolluted and humans are safe from the natural hazards of the world and the unnatural hazards of the world An economic system which is fair and relatively stable and where jobs are as easy to get as merely talking A world where every religion is at peace with the other as are its followers to followers of another A justice system which is real justice and countries whom many people can say their honestly proud of being a citizen of A world free of economic corruption and instability Grasslands as green as the deepest green and forests which have trees not seldom seen A world where everyone can claim free speech no matter how outrageous radical stupid or barbaric it may sound to those people with differing views The name of this new ideological belief should be officially called Distributionism This book mainly focuses on the United Kingdom and what's best for the United Kingdom but it can be read comfortably by people who aren't UK citizens
