Daughter Of Light:

The Builder's Goodbye - A Daughter's Light Sherridean Abddeen,2025-11-09 In a sun soaked island city Joseph Grant is a man who builds more than homes he builds legacy love and safety for his family A devoted husband playful father and respected craftsman he lives by simple rules work hard love deeply and never cut corners But when his honesty threatens powerful interests tied to the land he owns land fed by a river running straight from the mountain his quiet life turns into a target Told through the eyes of his daughter Serena The Builder s Goodbye is a story of love loss and spiritual justice It follows the bond between a father and child that even death couldn t break From summers filled with laughter and water fights to the night he risked his life in a flood from his mysterious murder to his daughter s later awakening this story traces how legacies are built not on money but on memory and moral courage Decades later Serena writes to give her father peace and in doing so finds her own It s a tribute to a man who walked through storms for love and a daughter who learned that some goodbyes are really beginnings
