David Carr:

Final Draft David Carr, 2020 A career spanning selection of the legendary reporter David Carr's writing for the New York Times Washington City Paper New York Magazine the Atlantic and more Throughout his 25 year journalistic career David Carr was noted for his sharp and fearless observations his uncanny sense of fairness and justice and his remarkable compassion and wit His writing was informed both by his own hardships as an addict and his intense love of the journalist's craft His range from media politics to national politics from rock n roll celebrities to the unknown civil servants who make our daily lives function was broad and often timeless Whether he was breaking exclusives about Amazon or mourning Philip Seymour Hoffman's death or taking aim at editors who valued political trivia over substance Carr's voice and concerns remain enormously influential and relevant In these hundred or so articles from a range of publications we read his stories with fresh eyes Edited by his widow Jill Rooney Carr and with an introduction written by one of the many journalists David Carr mentored and promoted Ta Nehisi Coates Final Draft is a singular event in the world of writing news an art increasingly endangered in these troubled times David Carr, 1997 **Writing on the Tablet of the Heart** David M. Carr, 2005-03-10 This book explores a new model for the production revision and reception of Biblical texts as Scripture Building on recent studies of the oral written interface in medieval Greco Roman and ancient Near Eastern contexts David Carr argues that in ancient Israel Biblical texts and other texts emerged as a support for an educational process in which written and oral dimensions were integrally intertwined The point was not incising and reading texts on parchment or papyrus The point was to enculturate ancient Israelites particularly Israelite elites by training them to memorize and recite a wide range of traditional literature that was seen as the cultural bedrock of the people narrative prophecy prayer and wisdom an adventure in jazz, Genesis 1-11 David M. Carr, 2021-01-13 This commentary offers a synthesis of close readings of Genesis 1:11 and up to date study of the formation of these chapters in their ancient Near Eastern context Each interpretation of these evocative and multilayered narratives is preceded with a new translation with textual and philological commentary and a concise overview of the ways in which each text bears the marks of its shaping over time This prepares for a close reading that draws on the best of older and newer exegetical insights into these chapters a reading that then connects to feminist queer ecocritical and other contemporary approaches **Reports of Cases Decided in the Supreme Court of Appeals of Virginia** Virginia. Supreme Court of Appeals, 1885 **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1978 **The Night of the Gun** David Carr, 2012-12-11 David Carr was an addict for more than twenty years first dope then coke then finally crack before the prospect of losing his newborn twins made him sober up in a bid to win custody from their crack dealer mother Once recovered he found that his recollection of his lost years differed sometimes radically from that of his family and friends The night for example his best friend pulled a gun on him No said the friend to David's horror as a lifelong pacifist It was you that had the gun Using all his skills as an investigative reporter he set

out to research his own life interviewing everyone from his parents and his ex partners to the policemen who arrested him the doctors who treated him and the lawyers who fought to prove he was fit to have custody of his kids Unflinchingly honest and beautifully written the result is both a shocking account of the depths of addiction and a fascinating examination of how and why our memories deceive us As David says we remember the stories we can live with not the ones that happened
