Badtorff, 2016-02-18 This book is a collection of short stories that I have put together throughout the years I published this book in hopes that you will enjoy reading them as much as I did writing them Some are heartwarming while others may bring a tear to your eye Everyone needs to connect to their inner self and I believe the text written here will strengthen that in these Stories for the Soul Our Daddy Was a Heroin Addict Janece Boyd, 2022-02-03 He often appeared amusing to family and friends alike Daddy was seen as a very cool guy by many people Of course I looked up to him However secretly I didn t expect Daddy to be around for very long As I continued to get to know more and more of Daddy this very troubled and dark side of him began to emerge I hadn t yet realized that we re all very complicated and complex beings Thus Daddy became frightful to himself as well as to me Something about his behaviors became off kilter **The Aquarian Son** George Zidbeck, 2009-03-10 After Charles Bach learns of his fathers death he begins a mental journey to find more meaning in his life Charles the oldest of three children holds many questions concerning life and his future Hes a young married man working toward obtaining a college degree and has been estranged from his alcoholic father for some time Knowing intimately the scope of destruction that alcohol abuse hurls upon a family Charles remembers all too well the details of the damage it wrought upon him and his relatives He recalls his life of growing up in the American Canal Zone prior to and during WWII before his mother took him and his two siblings to California in 1944 Many of his recollections include countless moments of escalated tension and arguments between his parents as his fathers consumption of alcohol increased In The Aquarian Son Charles attempts to make sense of his perceptions which had been greatly distorted by the effects of alcoholism Which path will Charles select as he continues his life Will he be able to end the cycle of serious alcohol abuse in his family or will he follow the destructive path taken by his father On Trial Elmer Rice, 1919 *Sharp Magazine July 2008* , *Ladies' Home Companion* , 1927
