## **Discourse The Body And Identity:**

**Discourse, the Body, and Identity** J. Coupland, R. Gwyn, 2002-12-17 The body and discourse seem diametrically opposed but we interact with our bodies and represent ourselves and our relationships in bodily terms This volume integrates new studies by leading researchers in sociolinguistics sociology social psychology and cultural theory It explores the many interfaces of body and discourse organized under three main themes the body as an interactional resource ideological representations of the body and discursive constructions of the body in normal and pathological contexts Subjectivity, Identity, and the Body Sidonie Smith, 1993 *Identity, Health and Women* J. Christodoulou, 2010-10-06 This book provides a three part investigation into identity construction Theory voice and praxis are all represented as the book follows the rationale stories and narrative methodology of the study of a group of women The final part of the book presents a new model of identity construction framed in women's health identity Township Spiritualities and Counseling Christina Landman, 2009 *Discourse, Resistance and Identity Formation* Jerome Satterthwaite, Wendy Martin, Lorna Roberts, 2006 This fifth volume in the Discourse Power Resistance series considers how teachers and learners are under relentless pressure to conform their professional identity to a model imposed by policymakers The book deals with the fundamental question facing teachers and learners worldwide who are we what are we supposed to be doing why Policymakers offer stultifying answers to these questions based on a narrow instrumental view of education that is viewed by teachers and learners with growing anger and dismay What is to be done The official view and the discourse through which that view is articulated is shown in this book to be weighty and vacuous at the same time a massively ponderous discursive absurdity Consequently this book goes on to offer wide ranging and serious strategies of resistance The book encourages faculty and students in universities and partner institutions involved in teaching training and or carrying out research in all areas of education It will appeal to staff and students involved in training for compulsory and post compulsory vocational education and lifelong learning and to lecturers in all areas of Higher Education with an interest in issues of policy and identity formation The contributors are David Selby Cheryl Hunt Christina Schwabenland Eileen Honan Mhairi Mackie James Avis Anne Marie Bathmaker Yota Dimitriadi and Michael Watts *Constituting Identity* Patrick Hanafin, 2001 Provides an in depth analysis of the constitutional representation of Ireland and its citizens In a society built on contradictions it is appropriate that the so called foundational document of the polity is itself a complex of conflicting positions The Irish Constitution can in this sense be read in a manner similar to the texts of literary modernism as a repository of irreconcilable ideas which together make up the text Language, Power, and Identity in the Lament Psalms of the Individual Amy C. Cottrill, 2008-05-15 No Marketing Blurb **Theosophy**, 1925 *Representing German Identity in the New Berlin Republic* Olaf Kuhlke, 2004 Kuhlke geography U of Minnesota Duluth focuses his teaching on the socio spatial construction of nationalism Here he explores the German preoccupation with finding a new national identity for themselves which began in the early 1990s emphasizing the

impact of the reassignment of Berlin as capital and seat of government for the reunified Germany in 1991 Among his topics are expanding the boundaries of methodologies in search of the nation the Love Parade on Berlin s historical and contemporary map body politics and the incorporation of Germany the aesthetics of raving and the discursive construction of German national identity finding a place for the memorial for murdered Jews of Europe and disembodied memory and the construction of national identity Annotation 2004 Book News Inc Portland OR booknews com *Proceedings of the ...
