SNIFFED OUT: Meghan, Harry, Disney, and the Advocacy for Human Rights, United States, United Kingdom, and the Commonwealth. Pallavi Kakoti McHugh, 2025-01-30

THE TRUE STORY OF HOW THE EIGHT DOGS OF A UNITED NATIONS WHISTLEBLOWER HUMAN RIGHTS ADVOCATE THE CREATOR OF THE WORLD S MOST RACIALLY AND POLITICALLY INCLUSIVE STORY EXPOSED DISNEY S DECEPTION AND MEGHAN MARKLE AND PRINCE HARRY S HYPOCRISY AND RACE BAITING

Meghan Markle was a little known actress from America barely recognized as a suitcase girl on Deal or No Deal the oral sex girl in 90210 and later in the cable TV show Suits Her fame skyrocketed after her marriage to Prince Harry in 2017 which featured a lavish wedding costing around 46 million largely funded by the British royal family and UK taxpayers Inviting mainly Hollywood celebrities it appeared to be a networking event rather than a traditional royal affair In 2020 videos emerged of Meghan and Harry pitching themselves to Disney executives sparking embarrassment worldwide with even Beyonc looking uncomfortable This incident led me to suspect that there s a deeper issue at play regarding Meghan s true intentions and her use of her royal status for personal gain and Disney s public image As a person of color from the Commonwealth married to a white man for 20 years I was disgusted by the Oprah interview with Meghan and Harry in March 2021 Their claims of racism within the British Royal Family and media especially while Prince Philip was on his deathbed were deeply unsettling This portrayal not only created a global perception of racism in the UK but also undermined the progress made in race relations trivializing the experiences of real victims of racism like myself Prince William the future King was compelled to break the royal protocol of maintaining silence and carrying on with duties to defend himself and his family The actions of Meghan and Harry who preached compassion in words but practiced destruction further divided people worldwide based on race The late Queen Elizabeth II died a year later with both her and Prince Philip s last thoughts being that the world believed there was racism in their family and the Commonwealth would eventually break up because of it I knew there was no racist in the British royal family only a race baiter and a shrewd opportunist was present who used people of color and the Commonwealth and racism for their ambition Their actions in my opinion tried to divide the world based on race and harm racial harmony for insatiable greed for power and fame The racial harmony that is crucial for the world in so many ways was just a pawn in a dangerous scheming game for power and fame In December 2022 Meghan and Harry s documentary misled the public by suggesting that Commonwealth countries are akin to a British Empire 2 0 Discover the only legal evidence that I have guarded for 5

years that reveals Meghan Markle as a benefactor of discrimination rather than the victim she has portrayed herself to be. Learn how she and Disney are negatively impacting the world and human rights in my work *Sniffed Out*. This serves as a wake up call for the public reinforcing the belief that ultimately good triumphs over evil. It's vital to safeguard your interests and the universal right to equal opportunity and we must all play our part in ensuring this and protect racial harmony from race baiters. This captivating true story reveals the intertwining fates of Pallavi Kakoti McHugh and her beloved dogs to some of the world's richest and most powerful individuals including the late Queen Elizabeth II, King Charles III, Princess Catherine, Elon Musk, Johnny Depp, and Rupert Murdoch alongside some of the world's poorest people and powerful nations such as the United States, the United Kingdom, and the Commonwealth. Everyone is connected to the same perpetrators leading to a significant expos aimed at protecting many worldwide. Visit <https://triggerspoint.com> books to explore the hilarious books *The Beautiful Golden Family Parts 1 & 2* which prompted Pallavi Kakoti McHugh to embark on this extraordinary journey. This all began with her dog Wilbur's hilarious struggles with understanding reproduction and artificially achieving six puppies against all scientific odds. Debating Disney Douglas Brode, Shea T. Brode, 2016-06-30. With stakes in film, television, theme parks, and merchandising, Disney continues to be one of the most

dominant forces of popular culture around the globe Films produced by the studio are usually blockbusters in nearly every country where they are released However despite their box office success these films often generate as much disdain as admiration While appreciated for their visual aesthetics many of these same films are criticized for their cultural insensitivity or lack of historical fidelity In *Debating Disney Pedagogical Perspectives on Commercial Cinema* Douglas Brode and Shea T Brode have assembled a collection of essays that examine Disney's output from the 1930s through the present day Each chapter in this volume represents the conflicting viewpoints of contributors who look at Disney culture from a variety of perspectives Covering both animated and live action films as well as television programs these essays discuss how the studio handles social issues such as race gender and culture as well as its depictions of science and history Though some of the essays in this volume are critical of individual films or television shows they also acknowledge the studio's capacity to engage audiences with the quality of their work These essays encourage readers to draw their own conclusions about Disney productions allowing them to consider the studio as the hero as much as the villain in the cultural deliberation *Debating Disney* will be of interest to scholars and students of film as well as those with an interest in popular culture **Walt**
