David And Jonathan:

The Love of David and Jonathan James E. Harding,2016-04-08 Were David and Jonathan gay lovers This very modern question lies behind the recent explosion of studies of the David and Jonathan narrative Interpreters differ in their assessment of whether 1 and 2 Samuel offer a positive portrayal of a homosexual relationship Beneath the conflict of interpretations lies an ambiguous biblical text which has drawn generations of readers from the redactors of the Hebrew text and the early translators to modern biblical scholars to the task of resolving its possible meanings What has not yet been fully explored is the place of David and Jonathan in the evolution of modern Western understandings of same sex relationships in particular how the story of their relationship was read alongside classical narratives such as those of Achilles and Patroclus or Orestes and Pylades The Love of David and Jonathan explores this context in detail to argue that the story of David and Jonathan was part of the process by which the modern idea of homosexuality itself emerged *David and Jonathan, a Book of Friendship* Maxine Smith,2025-02-27 This is a story about a true and unusual friendship that developed between the son of a King and a shepherd boy in Jerusalem King David found out that David would one day become King so he was jealous and tried to kill David Jonathan loved King Saul his father but he also loved his friend David Jonathan had an important decision to make and he chose to warn David Jonathan knew that his father was wrong *David and Jonathan. Jonathan's Loves, David's Laments Dirk von der Horst,2017-03-24 Jonathan s Loves David s Laments uses early modern musical interpretations of David s Lament over Saul and Jonathan to deepen the historicist foundations of contemporary feminist and gay relational theologies After laying out how gay theologian Gary David Comstock connects the story of David and Jonathan to the theology of lesbian theologian Carter Heyward the argument interrogates both theological and exegetical problems in making those connections which include contradictory theological stances with regard to modernity and history as well as the indeterminacy of the biblical text Early modern musical interpretations of the text allow for a double move of engaging the texts through a sensual medium thus reinforcing queer possibilities for meaning making from the biblical text and staying attuned to the fact that the history of interpretation reinforces the indeterminacy of the text thus keeping queer interpretations aware of the relativizing function of historical difference *David and Jonathan* E. Temple (Ernest Temple) Thurston,2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *Reading David and Goliath in Greek and Hebrew* Benjamin J.M. Johnson,2015-10-05 The story of David and Goliath existed in antiquity in two variant literary editions a short version found

in the Greek tradition of Codex Vaticanus LXXB and a longer version found in the Hebrew tradition of the MT Benjamin J M Johnson proposes that each version is worthy of study in its own right and offers a close literary reading of the narrative of David and Goliath in the Greek text of 1 Reigns 16 18 The author explores a method for reading the Septuagint that recognizes it is both a document in its own right and a translation of a Hebrew original In offering a reading of the septuagintal version of the David and Goliath narrative the literary difference between the two versions of the story and the literary significance of the Greek translation are highlighted

David and Jonathan Alyce Bergrey, 1987 Retells the Biblical story of David s friendship with Jonathan who interceded with his father King Saul when that ruler wished to kill David out of envy

The Covenant of David and Jonathan David Patrick Alcorn, 2015 The narrative of David and Jonathan in the Hebrew Bible is one of the most beloved stories of friendship and loyalty This thesis is an exegesis of 1 Sam 20 1 21 1 which recounts David and Jonathan s parting after David discovers with the help of Jonathan what were Saul s true intentions towards him The primary aim of this study will be to explore the covenant between Jonathan and David by asking questions such as the following What kind of covenant was it What did it entail Why did they make it To answer these questions this thesis also investigates the history of interpretation of the passage and the concept of covenant in the Hebrew Bible It argues that David and Jonathan shared a parity covenant which while serving their respective political needs also became a self giving and self emptying friendship
