**Ann M. Martin** Marylou Morano Kjelle, 2006. When Ann M. Martin was asked to write the first four Baby Sitters Club books in 1985, she had no way of knowing she was about to change the face of children's publishing. Martin's writing is influenced by a combination of her pretty wonderful childhood, her experience as a teacher, and her work in children's publishing. Now 20 years after the first Baby Sitters Club book was written, with more than 300 books and a Newbery Honor book to her credit, Martin continues to write novels that not only find a place on best sellers lists but also in the hearts of readers. It is clear that she is one of the most widely read and beloved children's authors of all time. In a one-volume reference, Ann M. Martin details the life and real-life influences of this famous author, revealing the person behind the words and the author behind the literature.

She could care less that teen star Tyler Kendall has the lead and will be at her home for the launch party. To Maggie's surprise, Tyler turns out to be pretty nice, and when he asks her out, she agrees. But Maggie is not prepared for the paparazzi. When their date is blasted all over the gossip columns, she is mortified. And when her band is chosen to play for a scene in the movie, she wonders if the celebrity life is more than she can handle.
