**Why Are You So Sad? Selected Poems** David W. McFadden, 2014-05-14 His life in Canadian poetry has spanned five decades and David W McFadden is still going strong This selection from his career to date brings back into print many of the greatest poems from nearly two dozen books Chosen and introduced by fellow poet Stuart Ross in full collaboration with the author these poems reaffirm McFadden s status as one of Canada s most gratifying ineffable and necessary poets [An Innocent in Ireland](#) David McFadden, 2016-12-06 When writer David McFadden sets out on a tour of Ireland he is determined to do in a relatively innocent state Using as a guide only In Search of Ireland a 1930 title by travel writer H V Morton he plans to follow the same route to try to determine how things have changed and how they have remained the same This he proceeds to do at least at first But soon he is wandering more and more erratically around the country poking into any corner and musing over any sight that takes his fancy from a cozy guest house in Kilcullen to the legendary Hill of Tara from the south coast pub run by twin sisters to the windswept reaches of the Ballaghbeama Gap And increasingly he is drawn to the prehistoric monuments of ancient Ireland As he goes he records his very personal impressions in a clear eyed and wryly humorous way Wisely McFadden also lets the many characters he meets speak for themselves he loves a good chat and he gives ample space to the various loquacious barmen shopkeepers hoteliers and passersby along the way And of all the eccentric and appealing characters that he encounters one of the most intriguing is his travelling companion the mysterious Spanish chambermaid and poet Lourdes Brasil Amusing quirky compassionate but unsentimental An Innocent in Ireland is a treat for any armchair traveller [An Innocent in Scotland](#) David McFadden, 2016-12-06 In 1995 David W McFadden published An Innocent in Ireland Curious Rambles and Singular Encounters a quirky and affectionate account of his travels around Ireland In undertaking the trip he chose as his guide H V Morton the prolific travel writer of the 1920s and 1930s whose In Search of Ireland part of Morton s famous In Search of series had been familiar to him since childhood Now setting out to explore Scotland his family s ancestral home McFadden plans to use the same technique to follow Morton s route around the country observing how things have changed and in what ways they remain the same As in An Innocent in Ireland however his own inquiring mind and engaging personality take over and Morton appears less and less as McFadden becomes increasingly absorbed by the landscape and particularly by the people Starting in the Lowlands he travels through Burns country examining verses that Burns is alleged to have inscribed on a Dumfries window with his diamond ring and up the east coast to the Highlands There he lingers by Loch Ness spotting nothing but tourists before heading over to the west coast and falling in love with it particularly with the islands of Mull and Iona Through the entire trip McFadden charts an erratic course led only by H V Morton and his own acute eye and very lively curiosity As he does so he records his extremely personal impressions which are wryly amused and often more astute than he lets on The reader won t find many of the traditional Scottish tourist sites in this account Rather as in An Innocent in Ireland McFadden loves a good chat and he

wisely lets the many characters he meets speak for themselves He gives generous attention to a variety of talkative barmen hoteliers shopkeepers as well as to passersby that he encounters in the course of his travels Their conversations ranging from the instructive or humorous to the eccentric and even surreal give a thoroughly entertaining view of a Scotland the guidebooks never reveal Still quirky affectionate always ready to be intrigued or amused David McFadden makes an ideal companion for any armchair traveller

**An Innocent in Cuba** David McFadden,2016-12-06 With An Innocent in Ireland 1995 David McFadden began his eccentric journeys to the heart of some of the world s most unique island nations Now McFadden rambles through the highs and lows of Cuba home to cigars Guantanamo and of course Castro The beautiful Caribbean landscape along with Cuba s rich history culture and uncertain future lend themselves to the quirky eye and wry witticisms of our innocent Canadian guide Poking into the nation s many corners McFadden offers a series of vignettes of the people cities villages roads and countryside of the island the author refers to as the most famous little country in the world Warm and colourful An Innocent in Cuba is a musical sensuous flirtatious joyful tribute to the Cuban spirit in all its incarnations

**An Innocent in Newfoundland** David McFadden,2016-12-06 David McFadden travels around Newfoundland Who knows which was most charmed In An Innocent in Ireland 1995 and An Innocent in Scotland 1999 poet and traveller David McFadden let the spirit of the country and his own interests guide his rambles He has now done the same in Newfoundland Zigzagging across the province in his rented car he charts an erratic course admiring lawn sculpture in his opinion a new local art visiting fellow poets and publishers wandering at dusk among the Viking mounds at L Anse aux Meadows rooming with a Salvation Army family in a distant outpost and discovering a family tragedy hanging on in a stiff wind to watch birds nesting on a cliff face and enjoying the social life in countless bars and restaurants It soon becomes clear that McFadden s love of a good chat is shared widely by the people he meets in Newfoundland and he is wise enough to let them tell their own stories For as ever his interest is in the heart of a place and not just its scenery Alert somewhat eccentric always ready to amuse and be amused David McFadden is an ideal travelling companion
